## Johnson in Fine Shape

Clark Griffith predicts that the mighty Walter Johnson, who is in fine shape, will win thirty games this year. "Griff" is grooming the "Speed King" for the opening game with the Yankees in Washington on April 14. "Griff" has great confidence in his other boxmen, and says that the American League race will narrow down to a struggle between the Senators and the Red Sox. He declares that the Athletics will be lucky to finish in the first division.

## Fed. League Opens

With Buffalo playing Brooklyn, Newark in Baltimore, Pittsburgh in Kansas City and St. Louis in Chicago the second season of the Federal League as a recognized opponent of the two older leagues will begin today. Since the close of the 1914 campaign, the Federals have recruited Lee Magee, Ed. Konetchy, Jack Dalton, Marj Berghammer, Chief Bender, Leslie Mann, Eddie Plank, Charlie Deal, Frank Allen, Miles Main, Pat O'Connor, Jimmy Kelley and others listed for service with organized baseball.

## Fryor a "Holdout"

Pawtucket, April 8.—There are rumors that Bill Bradley, last year's manager of the Pawtucket Reds, will be manager of the Pawtucket League this season. All but four of last year's players have signed. The holdouts are:

## Women Say They Will Run

Cambridge, Mass., April 8.—George V. Brown, who will manage the Boston Marathon on April 19, has received an anonymous postcard, signed by "H. K." and "M. Y." on which was written the following:

"We want to know if young ladies will be allowed to run in the Marathon race. If not, why not? For women now have the same rights as men. If ladies are permitted to run, please set aside a dressing-room for them. We are going to run anyway."

The A. A. U. rules do not allow women to compete in these athletic events.

UNKNOWN ISSUES  
DEFI TO LUDECKE

Is Here To Witness Prokes-Pons Match This Evening

A wrestler of considerable reputation in the states is coming to the city today to witness the Prokes-Pons match at the Opera House tonight, and challenge the winner. To introduce himself to the sporting public in the city, he is anxious to meet any wrestler in the city, Ludecke preferred, and publicly offers a challenge to Ludecke to meet him tonight in a match before the Prokes-Pons contest, and agrees to forfeit \$25 if he doesn't throw him in two straight falls.

Here is a chance for Ludecke to make \$25 very easily tonight, if he feels so inclined, as the unknown weighs only 155 lbs. If Ludecke accepts this defi, the match will be staged in place of the regular preliminary tonight.

## "MADE IN CANADA"

Ford Runabout  
Price \$540

No advance in the price of the "Made in Canada" Ford will be made because of the additional 7 1-2% War Tariff. We as loyal Canadians will gladly absorb whatever increased duty we are forced to pay on such raw material as cannot be obtained at home. The Ford is manufactured in Canada—not assembled in Canada.

The Ford Touring Car is \$590; the Town car \$640; all fully equipped, f.o.b. Ford, Ont. Ford buyers will share in our profits if we sell 30,000 cars between August 1, 1914 and August 1, 1915.

The longer life at lesser cost  
that "Studebaker" insures

Judged solely on what you yourself can see—on the grace of design and the elegance of finish, the speed and power and smooth, velvety running of the car—this Studebaker Light SIX stands up beside cars that are priced hundreds of dollars higher.

But judge it on the HIDDEN values, the in-built quality that makes for long life, the safety and certainty of operation that come to you in this SIX—because it's a Studebaker; and you can find no car at any price that is a better "buy."

For the simple reason that "because it's a Studebaker"—because this SIX carries a name that for more than 63 years has stood as a GUARANTEE of quality to millions of people, Studebaker spares no expense, no effort to build the HIGHEST quality into every detail. To make it a car that will give service year in and year out—a car that will cost less to run. And from the first casting for the motor to the assembling of the FULL-floored rear axle, Studebaker has always in mind that ideal of SERVICE and SATISFACTION.

But go to your local Studebaker Dealer's and see this SIX. Built in Canada, it's the ideal SIX. Powerful, easily driven, EASY-riding and low in upkeep costs. And we'd like you to see for yourself just how much you can get in a SIX at \$1750.
