Marr Millinery Company, Limited

LADIES!

We have just received a consignment of the latest style costume materials. We are proud to state that even though we made a great sacrifice in price during our special offer last week, our hopes were realized in the exceptional increase in business received. Every garment made proved an absolute success to the wearer. This is the best advertisement anyone can have.

Call and examine our Ready-to-wear costumes and coats, or our selection of latest materials for making to your order.

LOCAL NEWS

POLICE COURT.
Hop Lee, who is under arrest in the Mill street opium case, was brought in to court this morning and remanded until next Tuesday, as his counsel, Daniel Mullin, K. C., is absent from the city. The other five Chinese, who are out on deposit, were also remanded.

One man arrested on a drunkenness charge, was fined \$8 or two months in jail.

AN AMHERST FLAG DAY.
Lord Amherst, Chapter, I. O. O. F., of Amherst, held a flag day last week and raised \$384. Out of this amount there will be nearly five hundred dollars set for the work of the society. A contribution will be made to the Canadian Hospital in Flanders, which is practically named by Nova Scotian doctors and nurses. The members of the society are still knitting and providing supplies for the soldiers at the front.

HAD SWALLOWED A CENT.
Master Harry McGrath, the four year old son of Mrs. D'Arcy McGrath, of Fredericton, underwent a serious operation at the Victoria Hospital on Saturday afternoon when a Canadian one cent piece, which he had swallowed about six months ago, was found lodged in the gullet. The operation was performed by Dr. H. H. McNally, assisted by Dr. C. P. Holden, after an X-ray photograph had been taken, and showed the cent at the top of the breast bone pressing against the windpipe. The cent was removed, and unless the wound becomes infected the boy will have a speedy recovery.

DEATH OF HENRY MCGILL.
Many friends will regret to hear the death of Henry McGill, formerly janitor of St. Joseph's school, and well known about the city. He died at the home of his niece, Mrs. Frank Cooper, 113-9 Harrison street. He had been in ill health for a considerable period. Mr. McGill was sixty-eight years old and a native of Coleraine, Ireland, and had lived many years in St. John. His wife died about two months ago. The only other relatives are two nieces, Miss Cooper of Harrison street, and Miss George Green of Robesay, and two sisters in Scotland. The funeral will take place tomorrow morning at 10 o'clock at St. Peter's church for high mass of requiem.

BROTHER SAVED

Anxiety of St. John Man Over Sinking of Goliath Relieved by Cable

The good news that his brother was saved when H. M. S. Goliath was sunk at the Dardanelles was received last evening by F. J. Punter of the Canadian Bank of Commerce staff. Five hundred men were lost when the warship sank and as Mr. Punter was shipmate and chief petty officer in the Portsmouth barracks.

Mr. Punter also received a letter yesterday from another brother, a naval pensioner, who has been called out with the other reserves and is now serving as chief petty officer in the Portsmouth barracks.

FAIRVILLE NEWS

Hospital Shirts For The Soldiers—John Irvine Seriously Ill

The Lancaster Red Cross Society has undertaken to make 500 hospital shirts by June 1 for Dr. Murray McLaren's hospital and, as the time is so short, an extra effort will have to be put forth to turn out the work. Any one, whether connected with the Lancaster Red Cross or not, communicating with the Provincial Hospital, can secure the material, all cut, ready to make up at home, and if Lancaster ladies will avail themselves of this opportunity, there will be no question about the 500 shirts being completed when required.

Last week a special endeavor was made to provide 100 respirators for soldiers in the trenches, as a preventive against deadly gases used by the enemy. The entire number was obtained within the time, and while many women are house cleaning at this season, and there seem urgent calls for other worthy causes, it is expected a generous response will follow this appeal for the hospital shirts within the two weeks allotted.

At a meeting yesterday afternoon Mrs. Cecil McKel, vice-president, presided, and there was a fair attendance. Bruce Irvine, of Boston, arrived on yesterday's train, called home to Milford by the serious illness of his father, John Irvine. Miss Grace Irvine and Cheyne, of Philadelphia and Chicago respectively, came a few days ago.

The Lancaster Patrol, Boy Scouts, are planning to camp out at Raynes' Beach from the evening of Friday, 21st, until after the 24th. It is understood that quite a number have signified their intention of joining the camp, which promises to be a great success.

The two Fairville schools are making arrangements for a big joint celebration on Friday afternoon, the last session before Victoria Day and if weather permits the exercises will take place out of doors, which is not only an advantage to the scholars in performing but also provides plenty of room for spectators. Last year the event was a great success. Rehearsals have been going on for some time and Mr. Irvine said an excellent programme has been prepared.

TIMES MEN MEET IN FOLKESTONE ON THE WAY TO FIGHT

Gordon Smith and Frank Jennings Have Hand Shake

LETTERS FROM SOLDIERS

Private Smith Now Mail Orderly For Colonel Massie's Train—Jack Collins Writes of German Airship Going Over Their Camp

In a letter received yesterday by Mr. and Mrs. Scott of Queen street from their son, Gordon, a former member of the "Times-Star" composing room staff, he tells of having met another from the office, Q. M. S. Frank Jennings in Folkestone, along with another St. John man named McKean, both looked in excellent trim after two months' training at the camp there. Private Smith also tells of his trip to the Divisional Training, and the final completion of arrangements for the camp at Sandling Junction.

He has been appointed mail orderly for the Divisional Train, under Lieut. Col. Massie. The writer describes in an interesting way the life of the boys at the camp, saying that they have settled to the routine in solid manner and are apparently enjoying their stay thus far. They were billeted in houses for the present, the officers using huts, nicely arranged.

From Jack Collins

Mr. and Mrs. Oscar Collins of 28 Somerset street, yesterday received letters from their son, Jack, who is with No. 5 Co. C. A. S. C. Divisional Train. In his first letter he told of the trip across aboard the Granplan, and the landing. He also informs the home quarters in which they are located. "We are having a good time," he says. "We usually ride into Folkestone at night, about five miles from our camp, and the scenery is very pretty. We get some English papers here with the news, but they are not as good as the Times—please send a few along. I have seen several of the fellows of the first contingent who have been wounded. Young Collins wrote he had seen several aeroplanes over the camp grounds, and also of hearing air-machines of the enemy in flight over the camp at night on their way to raid some English lines. The boys of the company were all contented he wrote, and were taking pleasure from the life in camp. They were quartered in shacks which were quite comfortable. He asked to be remembered to his friends at home.

ST. JOHN MAN THERE WHEN 'HELL STARTED'

Mrs. J. Guilford of 80 Chapel street has received a letter from her son David J. Guilford, dated April 21 and another dated April 30. In the first he says: "We are in a hot place now. We are where those big battles were fought, and we certainly got a warm reception when we arrived, with shells bursting all around us. Sometimes the German shells burst about fifty yards from us. We have had no men killed yet, but several sent to the hospital with fever. Now that the warm weather has come we have to be very careful. Eddie Speight and the battalions are in the trenches. I heard they lost a lot the first night. I hope to see some of them soon. There were coming all around us. The hell started and is going yet. This is the seventh day and this will be the eighth night. We have had hardly any sleep since, and our poor horses have had the harness on. They have saved our lives a good many times. There are a good many things which would be interesting to you folks, but my nerves are in too bad a condition to write much, and this battle is not over. We Canadians have lost terribly, but it meant to fight till we got no more help, or the Germans would have gone right through the country. We have to take ammunition through a certain place and it is terrible to see the dead horses and men."

The young man writes, as so many others do, that they would like to get some tobacco.

THE FUNDS

Mayor Frink has received from the DeMott's Chapter, I. O. O. F., through the treasurer, Miss Helen Sidney Smith, the sum of \$30 for the 20th Battalion field kitchen fund.

His Worship has received also from H. Ronda, provincial manager for the Famous Players Film Service, a very generous offer of co-operation in the effort to secure funds for the field kitchen. The company supplies films to large number of moving picture theatres in the province and is willing to make a special arrangement for entertainments in aid of this fund.

Patriotic Fund.

C. B. Allan has received contributions for the Canadian Patriotic Fund as follows: W. I. Ambrose, \$10; Mrs. W. J. Ambrose, \$5; monthly contributions for May.

Respirator Fund

"A Canadian Woman" living in Boston has sent Mayor Frink \$5 towards the cost of respirators for the troops when facing the poisonous gases of the War. His Worship has turned the amount over to Lady Tilley for the Red Cross Society, which is providing the respirators.

NO COUNCIL MEETING

As Commissioners Wignare and Potts are still absent from the city it will be impossible to hold the usual weekly meeting of the common council this afternoon.

This Very Day Thousands of Men Are Face to Face With The Question of a New Suit

It is a problem that no man can shrug, run away from or ignore. It must be settled if a man is not to lose his rating, and lose heart. If you knew for a certainty that there was at least one men's clothing store in which you could get at once your very ideal of a suit at the lowest price for which it can be obtained, would that help to settle the matter for you? If so, you will be doing yourself an injustice if you do not, this very day, come to Oak Hall, and let us show you—

Suits that are constructively as good as it is possible to produce.

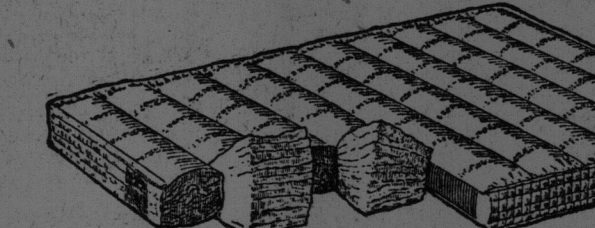

Suits which in fashion, in all details of finish and style reach a degree of fineness that no other suits quite come up to.

No matter what may be your height, your build, your dimensions, your weight your age, or your taste in fabrics, patterns and colors, there is a suit to suit you here and now.

Prices \$6.00 to \$30.00

KING STREET COR. GERMAN SCOVIL BROS., LIMITED, St. John, N. B.

The "Dixie No Tuft"

Stands pre-eminent as the acme of comfort and cleanliness. It has all the good points of the ordinary felt mattresses, but has distinctive qualities which places it head and shoulder above anything else on the market.

The above cut illustrates its construction, and a glance at it will convince you of the truth of our statement. It is made up of ten compartments, and each compartment is practically a distinct and perfect miniature mattress. The absence of tufts does away with the hard spots, which tuffing inevitably produces, and with the depressions at every tuft which are gathering places for dust, dirt and germs. Our space is too limited to describe in detail why the Dixie has twenty-five per cent. more elasticity than the tufted type, why it keeps the appearance after other mattresses have spread and sagged out of shape.

But if you will write or phone us for circular which fully describes all these points, or, better still, call and let us show you samples, we will feel sure that your next mattress purchase, and all future ones, will bear the "Dixie" trade mark.
