Thursday evening at eight clock, the Right Hon. Sir Robert Laird Borden, prime minister, and the Right Hon. Sir Wilfrid Laurier, leader of the opposition with their French Canadian front bench supporters, being invited to speak.

The military men who are promoting the movement in question do not consider the demonstration absolutely necessary as the enlistment which took place all day yesterday at the 65th and 85th armories, and at the offices of La Presse and La Patrie proves that the patriotism of the French-Canadians is sufficiently aroused to ensure quite enough men for the regiment, which Col. Gaudet will lead to the front. However, addresses from the leaders on both isdes of politics are quite in order at the present time, and as Mr. Asquith, Arthur Balfour, Winston Churchill and Bonar Law have appeared on the one platform in the Mother Land so it is expected, will Sir Wilfrid Laurier and Sir Robert with their friends of the two political camps stand together in the city of Montreal.
