

getting his head off.

Cross examination by Prosecutors.

I was out with Goodie the night before at the beach. We had a couple of drinks - wine we had got at some house. I had we had a pint each. When he talked me as advised at all. I had been out with advised in England ones. had a few beers. Wouldn't talk much to get him drunk. So I in told. The friends talk about 10 minutes. The whole thing would be over by 9 1/2. I didn't see after that evening. I had had 3 or 4 drinks. I was feeling alright. I was with another Chap. Goodie was in middle of street - stops wine. Anyone could have seen his car. Goodie ran in front of car and stopped the car. He said he was an MP and no traffic was allowed down the street. I don't know whether he swore or not. When Major was in car, he said he was a Major in <sup>U.S. Army</sup> ~~U.S. Army~~. I didn't hear him say other words in first charge. I deny that he said all American soldiers are bastards. Goodie looked as if he was going to start a fight. He was stops wine. I couldn't smell his breath. Goodie attempt to strike the Major. He looked as if he was going to strike him. I walked down the street and left him there. I got a lift
