DECISIVE MATCHES PLAYED ON SATI

J.B. A. A. Beat Vancouver at ball - Victoria Team Vanqu Terminals at Hockey.

J. B. A. A., 20; Sixth Regiment, was the result of the provincial l ketball match between the teams ed at the drill hall on Saturday nig game was witnessed by a large Throughout the contest there doubt of the Bays holding the V boys down, apparently without the est difficulty. Towards the finish ors braced up to a certain extent creased their score to ten points they were doing this, however, the A. players were putting up an exce fast game and made several goals

There was a great deal of diffe the style of the two teams. The ver five played a comparatively le paying little attention to checking dulging in a great deal of useless of tion. They had many opportu shoot which were not improve checking would have been of grea ance to the visitors, because in t they would have prevented Belyes and Peden from scoring so frequen A description of the Bays' me wards were watched carefully b gell and Finlaison, and were ne a chance to get in a clean shot Belyea and Peden played well Belyea and Feuen played well to The two former were in good form out, and the latter, while off color first half, played a star game in the part of the match.

advantage. The ball was taken towards the Sixth Regiment bask was returned well down the hall continued for some minutes with score being made. The visiting basket was subjected to repeated but for a time nothing resulted. however, Belyea managed to score quick shot, which elicited enthusi

Vancouver braced up considerable the match recommenced. A num fruitless efforts were made to see the James Bay guards were always and saved the situation several About this time there was some combination among the local boys, ball was placed in the basket a Belyea. The performance was with cheers. The game continued ; for the remainder of the first half. only the Vancouver team managed t and their success ended there, wh J. B. A. A. team had secured ten pol fore the whistle blew. During the first five or ten mi

the second half the James Bays pla around their opponents. Everybody team took part in the scoring. A c improvement was noticeable in R. Shortly after play was resu scored with a beautiful shot from the centre of the field. This was fo by a goal from Smith, who was After this even Finlaiso was playing guard, took a hand in t

There is no doubt that this had a lating effect on the visiting five. aged by the applause from those ing the struggle, they gave the J. I boys some hard work for the rema the match. From about four points Murgatroyd and Boult pulled Van to ten points. Time was called, h before they could increase further.

Stanley Porter acted as umpire Bays and Mr. Selwood for the Sixt ment. Both gave general satis governing the game.

As a result of this match the pr championship goes to the James Ba In every game they have proved vice and by winning Saturday's contest cient number of points were s the league to win. It is very pro championship of British Colum disputed by Victoria West and the teams, and there is every reason to that challenges from these teams accepted by the J. B. A. A.
