## MUTINEER AND MURDERER.

Shot Every Officer of British Steamer Arbiston.

Maddened Stoker Kills Captain, Wounds Two Mates and Engineer and Defies Arrest

NEW YORK, March 26.—From Bahia early in March a cablegram announced that the British steamer Arbiston, from New York for Montevideo, had put in at that port on account of mutiny on the part of the crew and that the captain and some of the officers had been injured.

Details which came by mail yesterday, show that the vessel was diverted from her regular route by one of the most extraordinary of crimes, one which took the shape of a maddened stoker resisting arrest after half-killing a fellow worker, then turning his revolver on the ship's officers and after killing or maiming all those seeking refuge below, and with recharged weapon there defying arrest. The man who did all this is Cirano Gallenducci, an Italian, and described as a giant in stature. One day he had an altercation with a stoker and felled him with a blow from which the victim has not yet recovered. Gallenducci was brought before the captain for this offence and drawing a revolver Gallenducci emptied the five chambers as rapidly as he could pull the trigger. The captain staggered back with a bullet through the neck, the first officer fell, shot through the shoulder, the second officer received a scalp wound and his eyes were blinded with powder and the chief engineer was badly wounded in the arm. As the last cartridge exploded, the Italian darted forward, sending to the deck two men who tried to check his flight and plunged below, hung open his chest, took from it a box of cartridges and making his way into the forward hold, defied anyone to take him. No one was inclined to undertake the work. The hatch was battered down and Gallenducci was a prisoner. The vessel reached Bahia March 3, and the circumstances being reported to the authorities on shore, a squad of soldiers pulled off to the ship and arrested the Italian, took him to the dock and lodged him in jail, where he is now awaiting trial on a charge of murder, two of his victims having died.

 NEW YORK, March 26.—Yale won the intercollegiate gymnastic team championship from Columbia today, eight other colleges here last night. Anderson, of Yale, won the all-around championship. Final scores by points was Yale, 18; Columbia, 12; N. Y. University, 8; Princeton, 6; University of Pennsylvania, 5; Rutgers, 5.

They are said to have seven fortresses completed and to be engaged in erecting additional ones. It is also reported that four batteries of artillery have been established at Chang Shing. The Russians are reported to be experiencing great difficulty in transporting army supplies, particularly from Liao Yang. The roads are in bad condition and it has been necessary to repair them and construct a number of new bridges. Food is scarce. No cattle are available and the Russians have been killing and eating horses.

## QUEBEC TOWNS FLOODED

Hundreds of Families Driven from Homes in St. Hyacinthe—Marquette Under Water.

(Special to Star.)  
 ST. HYACINTHE, March 6.—Owing to the incessant rain of yesterday and last night and the continued threat of more rain today, the water in the St. Lawrence River has risen to such an extent as to overflow its banks and completely inundate the lower part of the city. More than one hundred families were forced to leave their homes during the night and move their furniture to a higher location. At Marquette the fine suspension bridge over the St. Lawrence River has been swept away and the town is under water.

## THREE JAPANESE JOURNALS.

The standing of the three leading Japanese journals, according to the London Chronicle, is as follows: The Jiji-Shimbun, which means literally "timely incident news-bearing," is a semi-official paper and may be regarded as the Times of Japan. The staff is composed of well to do men, from among whom appointments are made to the chief posts in government departments. Rumors are never added to the pages of the Jiji-Shimbun, and it has a great reputation for truthfulness and sincerity. The Nichi-Nichi-Shimbun, "a Day and Day New-hearing," or as we should say, Daily Chronicle—is the organ of the Progressive party in Japan, while the Kohu-Min Shimbun, "the People's News," which has been calling for "fearful mutters and prepared defenses," in its character of the nation's journal is regarded as a less responsible paper, but it is perhaps a little more interesting for that.

## WALTER CLARKSON A PROPOSER.

NEW YORK, March 26.—A despatch to the World from Cambridge, Mass., says: Walter Clarkson, brother of the famous John, who with Mike Kelly, composed the \$20,000 battery and Harvard's idolized pitcher, will enter the professional ranks himself next season. Clarkson has received through his brother in Detroit a big offer to join the Detroit Americans and another flattering offer from Chicago, but is said to incline more favorably toward the Detroit offer. His fellow players believe he will be seen with Detroit next season.

## THE GUTHROS AGAIN.

The police were called into the Guthro house on Westmoorland road last night to quiet a little racket that was in progress. It was Officer Temple to whom the privilege fell this time and for several minutes he had a nice quiet time. When the officer arrived on the scene Joseph Guthro and Edward Barton were having a lot of fun with each other and the blows that had been exchanged were not of the love tap kind. As no one would make a complaint the officer could do nothing more than to quiet matters.

## WONT TALK.

Hon. H. A. McKown returned today at noon from Ottawa. The ex-collector general when approached by the Star as to the prospects of the new paper kindly referred the reporter to G. J. Milligan. Mr. Milligan says he has nothing to say at present and thinks the papers have already said too much.

## CAMBRIDGE WON THE BOAT RACE

Light Blues Again Defeat Their Old Opponents

Oxford Crew Was Apparently Undertrained and Gave Out at the Start.

PUTNEY, March 26.—The sixty-first annual race between crews from the universities of Oxford and Cambridge was rowed today over the Putney to Mortlake course, about four and a quarter miles, and was won by the Cambridge men, who crossed the finish line at 8:19, four and a half lengths in front of their opponents. The morning broke dull and misty, with rain threatening. There was scarcely any breeze and the water was smooth. Few spectators were present when the boats started. Cambridge won the toss and chose the Surrey side of the river, though there seemed to be little choice. There was every prospect for a good race. The wind was very light from the northeast, and was behind the crews over a fair part of the course. The boats were sent away at 7:57 in a slight drizzling rain and very heavy weather, Oxford striking a 38 stroke and Cambridge pulling 35. At Crabtree wharf Oxford was leading by one length. At Hammermith Bridge, Oxford was still leading, but by only a quarter length, rowing a 32 stroke with Cambridge also pulling 32 and pluckily drawing up. When Thornycroft's was reached at ten minutes past eight, Cambridge favored by the bend had assumed the lead. Devonthorpe meadows was passed at 8:02, with the Cambridge men half a length in the lead, and both crews going well, making a fine race. At Barnes railroad bridge, which was reached at fourteen minutes after eight, the Cambridge crew began to get ragged and thereafter the result was never in doubt, though the defeated crew rowed a dogged stroke to the finish. According to the official announcement, the time of the winning crew was 21 minutes and 34 seconds, and the Cambridge crew was 14 seconds faster. The Cambridge men last year's race by six lengths.

LONDON, March 26.—Cambridge easily won the Oxford-Cambridge inter-university field sports at the Queen's Club grounds here today.

## PANIC IN CITY HALL.

Information Comes that the Franchise Bill will be Rushed Through as it is

There were rumors of war, private conferences behind locked doors and the "boldest held his breath for a time" at City Hall this morning. But at last the secret is out and the aldermen are going about with a determined expression on their face and a resolve up their sleeves to do or die. Several representatives from the local legislature reached the city last night and all are satisfied that the franchise bill as presented will be railroaded through the house. Mayor White this morning expressed himself as being satisfied that this would occur, so are the best part of the aldermen. The mayor says that the government are committed to the scheme and cannot do anything else than put the bill through without going back on Messrs. Robertson and Lantlam.

## CHARGED WITH ASSAULT.

Charles Pettie, a Frenchman, who works in the woods, was arrested this morning on a warrant sworn out by one Samuel Albert, who charged Pettie with assaulting him. The police have been looking for Pettie for some time. The affair was the result of a row between the children of the Pettie and Albert houses, and was not a very serious affair. The matter was quickly disposed of, Pettie being released.

At the mass meeting tomorrow afternoon in the Opera House, Chip, Ritchie will sing The Palms and a small orchestra will accompany the other singing.

## FATHER DEAD; SON ARRESTED.

James H. Wiles Walks from Funeral to Jail.

C. P. R. Station Agent at Fairville Arrested on a Charge of Misappropriating a \$15 Cheque

In the columns of this morning's papers appear two articles concerning parties by the name of Wiles. One is the death and funeral notice of James Wiles, Mail carrier between Apohaqui and Millstream, who passed away on the 15th inst. at the age of seventy. The other article tells of the arrest of Jas. H. Wiles, C. P. R. station agent at Fairville. The man who is now in the hands of the police is a son of the man whose funeral notice appears in the same edition and had just returned from the attending the funeral when he was arrested. The charges against Wiles, who is 32 years of age, is that he received on Jan. 23rd from the C. P. R. a cheque of \$15, with directions to hand it over to another man, and that he, in violation of good faith and contrary to the terms of said direction, fraudulently and unlawfully converted the cheque to his own use, thereby being guilty of theft. It is said that Wiles represented that men were employed at Fairville by him and sent to him for their pay. No such men, it is claimed, were actually at work. Yesterday Detective Hillen went to Fairville and invited Wiles to come to the central police station. This Wiles did last night and while there James McKay, police inspector or C. P. R. and P. R. Taylor, a local barrister, swore out papers for his arrest before Police Clerk Henderson. Detective Hillen then made the arrest and Wiles was taken upstairs to the court room when he was remanded till Tuesday by Magistrate Ritchie. This morning J. B. M. Baxter, who represents Wiles, made an effort to have the case brought on earlier and it may come up Monday.

## A JUDGE APOLOGISES.

(Special to the Star.)  
 MONTREAL, March 26.—Judge Wurtel, who yesterday, while presiding in the Court of Kings Bench, refused to appear as witness in the trial suit of Alexander Dingwall vs. Henry Mason, when subpoenaed by P. S. McLennan, responded gallantly. Thereafter the prosecutor today apologized for the terms in which he had addressed P. S. McLennan in court, having denounced the service as a trick and impertinence.

The funeral of James W. Brittain, who died on the 24th inst., was held this afternoon at 3 o'clock from his late residence, 105 Duke street, West End. Rev. W. H. Sanson conducted the funeral services and interment was made in Cedar Hill cemetery.
