

Ottawa, November 4, 1941.

Dear Sir:

I wish to acknowledge receipt of your letter of October 30th, your file 4.04, in which you inquired whether Highwood-Sarsons Oils Limited or Inland Development Co. Ltd. had made application to lease surface rights in connection with their No. 1 well.

No such application has been received here and the only correspondence concerning either of these Companies has been with your office.

Yours very truly,

J. C. Caldwell,
Chief, Reserves Division.
