## LEMONS FOR ST. JOHN MEN

Winning Team at Fredericton Given Warm Reception When Appearing on the Ice—Responsible for Suspension.

Fredericton, Feb. 6.—The St. John hockey team won the New Brunswick league game here tonight by a score of 3 to 2.

Local fans got the idea, whether rightly or wrongly, that the St. John team were responsible for the suspension of the M. P. A. A. today of George Brogan, the star point player and goal getter of the Maryville Crescents, and that Titus, the peerless goal tender of the Fredericton team, and this caused demonstration.

Manager Percy Howard, of the St. John club strenuously denied any connection on the part of his club with the action taken by the M. P. A. A. and declared that the St. John team had made no complaints about the players or asked for their suspension.

The suspension of Brogan comes as a result of his baseball connections during the past summer when he played professional baseball at St. John, while the M. P. A. A. claim that Titus was never reinstated after his suspension several years ago when he was the second string goal tender of the old Fredericton Capitals. Titus claims that he was reinstated. At any rate he didn't play tonight, and it is felt at Maryville that the team there will be without the services of Brogan during the rest of their season. The affair has worked up a lot of feeling here.

**Pelted With Lemons.**  
When the St. John team went on the ice they were met with a volley of lemons and hisses and a shower of lemons. While the St. John players practised lemons were pelted at them by the fans on the sides, and there were demonstrations which have never before been equaled here.

The only redeeming feature of the game was the close score. It was not a good exhibition of hockey, there being little or no combination work, a poor variety of individual rushes and shooting which was away off.

The Fredericton team was badly crippled. Capt. Archie Babbitt was out of the team owing to a severe cold and Archie Sterling declined to play. George Walker had to play point and Jack Peeney, the regular centre went out at cover point.

"Hibby" Binney, the college student, filled the gap caused by Titus' suspension.

The St. John team didn't have Jimmie Philips, but Tulley was at point while Bumps McAvity played cover point. P. McAvity was on the forward line where he was the fastest and hardest working one of the quartet.

Sandy Staples was the referee and he had his hands full.

**The Play.**  
It was almost 9 o'clock when play commenced. McLean got a three minutes' rest for cross-checking Clawson, Walker and Tulley the two point players, both made end to end rushes, but the effect was spoiled by the puck being carried too far into the corners. Finally after four minutes' play Clawson got the first counter for St. John, slapping a rebound into the net after Binnie had made a good stop.

A minute later Gilbert got St. John's second goal on a pass after one of Tulley's fast rushes. The game was delayed after play was resumed, while Pierce was taken to the dressing room for repairs, after getting in front of one of McLean's hard shots. Finally play got down into the corner at the Fredericton end, again the puck was passed out to P. McAvity who was uncovered in front of the Fredericton

Finley ... 106 80 82 268—89 1-3

Just before half time George Walker put P. McAvity away with what the referee claimed was a cross check. It took McAvity a few minutes to recover and Walker got a five minute rest.

**Second Half.**

The second half started off somewhat faster with the St. John team having the advantage of seven men to six. Walker still being on the fence. A face-off in a few minutes resulted in the puck being sent out to Galloway who slammed it into the net, making Fredericton's first score.

Walker got back in the game again. Then Bumps McAvity got chased for tripping. With the advantage of seven men to St. John's six, the Fredericton team scored their second and last goal, the puck being shot out from the side by McLean and striking Tulley's skate whence it glanced against Pierce's skate and into the net. The St. John goal tender claimed it was not a goal, but no formal complaint was made.

## M'LEOD GETS TWO FROM GEORGE NEDEFF

Down at Lunenburg, N. S., the other night McLeod the Scotch middleweight champion wrestler defeated George Nedeff, the Syrian wonder, securing two straight falls in 78 minutes. The match was for two best falls in three, and was catch-as-catch-can. McLeod secured the first fall in 35 minutes, throwing Nedeff with a scissors hold and half Nelson. The second fall was secured by a toe hold and hammerlock. Both men worked very hard and the match was watched with great interest by over 200 people, many of whom came from Bridgewater and Mahone Bay.

Before the match started there was a six-round boxing bout between Aubrey and Willie King.

Nedeff weighs 142 pounds stripped and McLeod 175. The latter is also considerably taller than Nedeff. Nedeff will be here for at least four months longer, engaged in gymnasium work, and offers to wrestle any man in the world of his own weight for a side bet of \$100 to \$500.

## NEW GLASGOW HOLDS HALIFAX TO 10-7 SCORE

Without Mike Murphy, Tail-Enders in Pro. League Gave Haligonians Game of Their Lives.

New Glasgow, Feb. 6.—New Glasgow is beaten again, but not discouraged. The fact that Halifax defeated them here tonight by a score of 10 to 7, is mitigated by the thought that Mike Murphy is speeding homeward, and had the P. R. been on scheduled time, Mike would have made connections with the team tonight. But this was not to be. The train was five hours late.

It was a rattling good game that the press put up here tonight and just as good as the fans could wish for. It was in the last quarter of an hour that victory faded from the sight of New Glasgow, for 10 minutes before the game ended New Glasgow had tied the score at 6-6 and was setting a pace that it was faster than ever seen here. Time after time the puck traveled from one end of the rink to the other, in vain attempts to score. It was Condon that flashed to centre, nabbed the puck in through the defence of New Glasgow and scored. It broke New Glasgow's heart. And the other goals for Halifax came easier.

There was little to choose between the two teams until the last ten minutes, when Halifax showed up to better advantage. New Glasgow was strengthened in Dunphy and Morrison. Dunphy played rover in first half and Williams on the right wing. Simpson going to the left. It seemed a mistake and in the second half Dunphy went skip.

And Williams was at home in the net, and Williams made some splendid rushes. Dunphy is a star and played a great game. Gregory and Cook were in the game all the time. Simpson put up the best game he has played this season. Murphy worked hard at point and Morrison is just the same old stone wall of old. And he brought the 1,500 people to their feet with his blocking. For Halifax, Weaver, Condon and Stuart were most in evidence. The Halifax teamwork on the whole has much improved since last time it was here. Bishop guarded off some thrilling shots in his own cool way. The game was very clean, only four penalties being handed out. McNameara kept the game well in hand.

**The Play.**

The first half opened up with Halifax carrying the puck to New Glasgow's net and Morrison blocking. The play was slow, and New Glasgow's net for several seconds. Cook relieved the situation working the puck to centre ice, passing to Gregory who shot in the nets with Bishop blocking. And to end rushes followed up the last minutes after the game started Simpson shot from the wing and scored.

Wilkie scored for Halifax a minute later, hitting the score. Halifax broke the tie after fourteen minutes of play when Weaver scored on a pass from Stuart. Gregory tied the score a minute later shooting from the side of the rink. Cook pulled up the net and a nice combination play after Halifax had bombarded New Glasgow's nets. Carrying the puck to the end of the rink, Williams shot and scored, but the last pass from Cook was wide and the goal was not allowed. Halifax now made a most persistent bombardment on New Glasgow's nets, the local players seemingly being not able to relieve and Wilkie finally got the puck by Morrison for the third goal for Halifax. Shortly afterwards Stuart poked their net in during a mix up around New Glasgow's nets, making the score 4-2 in favor of Halifax. Stuart again scored a minute later. A few seconds later Stuart again scored on a rebound from Condon's shot, after Condon carried the puck the entire length of the ice. Shortly before the bell rang for half time Gregory scored for New Glasgow, making the score 6-3 at half time.

**Second Half.**

In the second half Williams scored immediately after the face off. Play was now around Halifax nets and Gregory scored the second goal in the second half for New Glasgow. The first penalty of the evening was given to Gregory for tripping Weaver. While Gregory was doing time Stuart made a nice shot in goal scoring for Halifax, the seventh goal.

Gregory and Williams started the next goal for New Glasgow. Williams scoring on a rebound from Gregory. Dunphy tied the score a half minute later. The game was now very fast for ten minutes until Condon scored, breaking the tie, after the prettiest play of the game. Condon scored again from the wing and Stuart scored the last goal half minute before the game ended.

The line up follows:

**Halifax.** Goal, New Glasgow

Bishop ... Point, Morrison

Laing ... Cover Point, Cooke

Weaver ... Rover, J. Murphy

Condon ... Centre, Dunphy

Stuart ... Left Wing, Gregory

Wilkie ... Right Wing, Simpson

Eckersley ... Left Wing, Williams
