PRICE TWO CENTS

KILL HER DAUGHTER; MURDERED GRANDCHILD

Montreal Woman Principal in Sensational Murder Case.

TRAGEDY WAS DUE TO MELANCHOLIA

Mrs. J. A. H. Taylor, after Fearful Deed, Turned Gun on Herself, but did not Succeed in Suicide.

Alexandria, Ont., Sept. 21.—Mrs. J. A. H. Taylor, of Montreal, shot and killed her daughter, Mrs. Harold W. Norton, and seriously wounded her thirteen-year-old grandchild, Lulu Norton, also of Montreal, about six o'clock Sunday morning while they were asleep at the home of her son, J. A. H. Taylor.

On Saturday evening Mrs. J. A. H. Taylor, senior, Mrs. Harold W. Norton, and Lulu Norton, came from Montreal to Alexandria on a visit. The family retired into Saturday night. Mrs. Norton and her child sleeping down stairs, while the other slept upstairs. Sunday morning at daybreak they were startled by revolver shots and screams. Mrs. Taylor, Sr., rushed to the stairs when he met his wife coming up with her face streaming with blood.

It would appear that Mrs. Taylor, who had been suffering for some time from melancholia, found a loaded .32-calibre revolver in a drawer in her son's dresser. She concealed it in her clothing and came downstairs to the room in which Mrs. Norton and her child, Lulu, were sleeping. Without any warning and while they still slept, she shot Mrs. Norton in the left eye. She then shot the child in the temple and turned the gun on herself. This shot, however, failed to kill her, passing through her upper lip and nose, cutting a deep gash in her forehead and finally passing into the ceiling. There were four shots fired but just where the fourth shot went is unknown. Mrs. Norton died from the effects of the wound in the eye, about noon today.

Dr. J. T. Munroe, of Maxville, the coroner, will empanel a jury in her son's case on Monday morning. Mrs. Taylor, Sr., is being held in custody at her son's home. There is only a very slight hope for the child's recovery.

Mrs. Taylor, who fired the fatal shots, is about fifty-eight years old.

ORPHANS INVITED TO IMPERIAL THEATRE

Misses Wilson, Daughters of W. C. Wilson, of West St. John, Hostesses on Thursday Afternoon.

The Misses Emma, Una and Grace Wilson, daughters of William C. Wilson, the well known West St. John druggist will be the hostesses on Thursday afternoon at the Imperial Theatre, when they will have as their guests the orphans of the different institutions in St. John. This thoughtful and kind deed which is being ably seconded by Mr. Wilson, is the cause of much favorable comment about the city. It is felt that the action of the young ladies is one which will endear them to the hearts of the orphans who, unfortunately, have but few such good times.

Needless to say the Misses Wilson are much excited over the prospect and are busily engaged in planning for the event, which they are determined will prove an unqualified success. The orphans from the city institutions will walk to the theatre while those at Silver Falls will be called for with buckboards at half past two and driven to the Imperial. After the show the buckboards will be again called for duty to take the children back to their country home.

Walter Golding, the manager of the new house, has heartily entered into the spirit of the event and has promised a programme of exceptional length and one which is sure to appeal to the guests of the Misses Wilson. The young ladies themselves are to be complimented on their kind and thoughtful deed, which will undoubtedly result in bringing a happy afternoon to several hundred motherless and fatherless children.

Don't Crowd.

An observer who walked past the Imperial Theatre on Saturday evening was much amused and somewhat disgusted with the manner in which those citizens entering the house pushed and shoved one another in their attempts to purchase tickets and to enter the house itself. Instead of standing in line and taking their turns the crowd, evidently under the impression that they would not secure seats, pushed and shoved in such a manner that they delayed rather than assisted a quick entry. The citizens of St. John have a modern amusement house in the Imperial, but their actions on Saturday evening betrayed the fact that they are not used to such an institution.

CELEBRATE FOUNDING OF LOUISBURG

Cape Breton Canadian Club Hears Historical Paper.

INDICATES SUCCESS OF ORGANIZATION

J. S. McLennan Deals with History of the Old French Town in a Thorough Manner.

Sydney, N. S., Sept. 21.—About two hundred people attended the bi-centenary celebration held at the court house Saturday afternoon here by the newly formed Cape Breton Canadian Club. The meeting was a most enthusiastic one and should be an indication of the success of the organization. In the future the club should prove to be one of the most important ever formed in this city. The principal feature of the meeting was the historical paper on Louisburg read by the president of the club, J. S. McLennan, who is to publish a book in the near future which will deal with the same topic.

The Ven. Dr. Smith, pastor of St. George's Church of England, and honorary president of the club, was in the chair, and introduced the speaker of the afternoon, Mr. McLennan, then proceeded with the address which dealt in a concise manner with all the items of historical interest connected with Louisburg since its founding in 1713 to the present day.

BIG SUM FOR THE ORPHANS

\$1450 will go Toward Assisting a Good Cause, as Result of Official Opening of Imperial.

It will be pleasing knowledge to the public at large and especially to those who attended the formal opening of the Imperial Theatre on Friday evening to learn that \$1,450 will go toward assisting the orphans of St. John. Walter Golding, manager of the new amusement house, announces—last evening that this amount had been placed in the Bank of Nova Scotia by A. W. Phillips, the treasurer of the Imperial, who acted in that capacity for the committee in charge of the entertainment.

"We expect to bring the amount up to \$1,500 within the next few days," said Mr. Golding, when in conversation with The Standard last evening. "There are a considerable number of the souvenir programmes left and it is the intention of the committee to put them on sale at 25 cents each."

If a total of \$1,500 is raised it will be equally divided between the Protestant and Catholic orphanages of the city. When asked if a public presentation of the money would be made, Mr. Golding stated that the matter had not been settled but as the Misses Wilson were entertaining the orphans at the Imperial Theatre on Thursday afternoon the money might be presented then.

Speaking at a demonstration at Antrim Castle today, he pointed to General Richardson, who holds the post of "general officer commanding the volunteers," and said:

VATICAN ORGAN SCORES ADDRESS OF ROME'S MAYOR

Rome, Sept. 20.—The Vatican organ, the Osservatore Romano, strongly stigmatizes the anti-Catholic utterances of Ernest Nathan, Mayor of Rome, at the commemoration yesterday of the anniversary of the fall of the temporal power. It characterizes the speech as "vulgar, impious, perverse and grotesque," and Mayor Nathan as "a ridiculous imitation of a civic magistrate and an exotic combination of Judaism and free-masonry."

THE REVENUES OF CANADA STILL ON THE UP GRADE

Special to The Standard. Ottawa, Sept. 21.—The financial statement for the month of August shows increases in both revenue and expenditure over the figures for the corresponding month of 1912. The revenue amounted to \$14,547,853 as against \$14,445,849, an increase of \$101,908. The ordinary expenditure totalled \$11,028,196, an increase of \$4,075,131 over the expenditure for August 1912. There was also an increase of \$2,397,062 in expenditure on capital account, namely from \$4,803,811 to \$7,200,873.

DISCOVERER OF SODA PROCESS ANNIVERSARY

Brussels, Sept. 20.—Ernest Solvay, the discoverer of a process for the manufacture of soda, celebrated the fiftieth anniversary of that discovery today by giving more than \$1,000,000 to educational and charitable institutions, and the employees of his firm. The universities of Paris and Nancy each received \$100,000. Many scientific lists, representing all nations are attending the jubilee celebration.

TWIN BROTHERS USE BIRTHRIGHT TO HARASS STEWARDS OF STEAMSHIPS

DR. SIMON J. RUSSELL AND DR. EDWARD M. RUSSELL. The only system ever invented for outwitting the transatlantic steamship steward came as a birthright to Dr. Edward M. Russell and Dr. Simon J. Russell, twin brothers, who returned to America from a season of special study in Europe. The brothers, who come from Springfield, Mass., look so much alike that only finger points are distinguishable. To add to the gaiety of themselves and the nations, they dress alike, wear their hats alike and speak in exactly the same tone of voice. Hence when they began their trip they began to harass the stewards in a variety of ways. This they decided to do in commemoration of their outward journey, when divers stewards had harassed them. Their full revenge came when to each steward who opened negotiations for a tip each brother replied with well-stimulated indignation that he, the brother, had already paid him, the steward.

EXHIBITION ATTENDANCE HIGHEST YET

Fredericton Fair Broke all Records for Six Day Show — Visitors were Highly Pleased.

Fredericton, Sept. 21.—The Fredericton 1913 exhibition closed on Saturday with the attendance record of six days show of 32,175. The previous record for six days was 26,840, and everybody is elated over the success of the show, which with its government and city grants, will pay its way and probably wipe out the slight deficit from the 1911 show, as well. The attendance on Saturday was 2,454, which was considered very good in view of the fact that it was raining in the early morning and did not clear off until noon time. The paying of prize money was concluded on Saturday, upwards of \$7,500 being paid out by Treasurer Tennant.

Saturday evening's visitors at the fair grounds included the delegation of 150 members of the Canadian Manufacturers' Association who made the trip up the river from St. John by steamer and left on Saturday evening in their special train of C. P. R. sleepers and dining cars for Montreal en route to their homes.

The visitors were much pleased with the fair although not seeing it under the most favorable circumstances. Special trains over the I. C. R. have taken many exhibits, live stock, amusement attractions and followers of the fair circuit to Chatham tonight for the opening of the North Shore show tomorrow.

The horses were also shipped on the special train for Chatham tonight. Trades and Labor Delegates Leave for Convention.

One of the main objects of the New Brunswick delegates will be to land the convention in St. John next year. The average number of delegates attending the convention is more than 300, besides fraternal delegates from England and the United States.

QUIMET INTERNATIONAL CHAMPION GOLFER NOW

FUNERAL OF JAMES ROSS TO BE TODAY

Rev. Dr. Paterson Smith will Conduct The Services.

MANY EXPRESSIONS OF REGRET RECEIVED

Telegrams of Sympathy from Duke of Connaught and Premier Borden — Was Able Man.

Montreal, Sept. 21.—The funeral of James Ross, one of Canada's leading citizens, who died early Saturday morning, will take place tomorrow afternoon from his late Peel street residence and half an hour later from St. Georges church. The Rev. Dr. J. Paterson Smyth will officiate.

Mrs. Ross and her only son, J. K. L. Ross, are in receipt of many letters and telegrams conveying expressions of regret and sympathy. One of the first to reach Mr. Ross was from Col. Lowther, military secretary to His Royal Highness, the Duke of Connaught, which read as follows: "His Royal Highness the Governor General desires me to express his deep sympathy in your bereavement. Please inform me when and where the funeral will be held as His Royal Highness wishes to be represented. Accept also an expression of my personal sympathy."

This afternoon Premier Borden wired to Mrs. Ross and her son conveying an expression of sympathy and respect from himself and Mrs. Borden. The Premier stated that he considered Mr. Ross' death as a distinct loss to the whole Dominion. Flags at half mast over the Bank of Montreal and the sister institution, The Royal Trust on Saturday, gave the official announcement to the financial and business community that Jas. Ross, a director of both of these institutions and a front rank man in the industrial, financial and business world of Canada, had passed away.

Mr. Ross was one of the most successful railway builders and railway owners in the Dominion, the construction of the Canadian Pacific over the Rockies being due to his powers of organization and engineering ability, and when Sir Donald Smith, now Lord Strathcona, drove the last spike, no one of the historic group held a higher place in the public mind of Canada than Mr. Ross.

Sydney, Sept. 21.—The death of James Ross brought out many expressions of sympathy from his many friends in Cape Breton. In a statement on Saturday Mr. Plummer said that all his former disagreement with the deceased had long been forgotten and had been replaced by a friendship on both sides. He regarded Mr. Ross, who had for the greater part of his life been identified with the solution of transportation and industrial problems, as one of the ablest men in Canada. The Sydney residence of Mr. Ross was Dumro on Kings Road. He was a member of the Royal Cape Breton Yacht Club, but had not taken much interest in local sport.

TO SUCCEED COL. LOWTHER AT CAPITAL

Col. Farquhar Arrives to Take up Position as Military Secretary to H.R.H. Duke of Connaught.

Special to The Standard. Ottawa, Sept. 21.—Lieut. Col. F. Farquhar, D. S. O., of the Coldstream Guards, has arrived in the capital from England to take over his new duties as military secretary to H. R. H. the Duke of Connaught. Col. Farquhar obtained his D. S. O. for gallant service in the South African war and has had a distinguished military career. He will reside in Rideau Cottage and will be joined later by Mrs. Farquhar. Lieut. Col. Lowther, who has held the position of military secretary since the arrival of the Duke of Connaught two years ago, will sail for England on October 2 to take command of his regiment, the First Battalion of the Scots Guards, at Alder-

Another American Adds Name to List of Victors.

VARDEN WAS FIVE STROKES BEHIND

Englishmen Complimented Winner on Sterling Calibre of Play—Tremendous Cheering Greeted Result.

Brookline, Mass., Sept. 30.—Another name was added to America's list of victors in international sport here today, when Francis Ouimet, a youthful local amateur, won the nineteenth open championship tournament of the United States Golf Association.

The winning was lifted to an international plane, due to the sensational circumstances of the play and the calibre of the entrants whom Ouimet defeated during his four-day march to victory. Ouimet won with a score of 73 strokes, two under par for one of the hardest courses in the country. Vardon finished five strokes behind Ouimet with 77; Ray took third place with 78.

The slender youth, just past his teens, outplayed and out-nerved not only Vardon and Ray in the play-off, a wonderful feat in itself, but succeeded in battling his way through the largest and most remarkable field of entrants that ever played for an American title. The lists contained 170 names, in addition to Vardon and Ray, those of Wilfrid Reid, another well known English player; Louis Teller, a French professional of note; a few high-class amateurs and a host of American and foreign professionals playing for United States and Canadian clubs.

Among those who struggled to get to Ouimet's side after the victory was a little, plainly dressed woman whose hair was streaked with gray. She was buffeted in the crush, persevering, she finally stood almost directly under the champion as the strong swirls and eddies about him. With hat pushed back, and with shining eyes, she looked up and called the one word, "Francis."

Ouimet glanced down and catching sight of the little woman below him, tore his hands from those of his admirers and reaching down, grasped her hand. What she said was lost in the tumult of the cheering, but those near heard Ouimet say: "Thank you, mother; I'll be home soon."

Ray and Vardon were not forgotten. Each Englishman was given a three times three before the parade started for the dressing quarters for the presentation of the medals and other prizes.

During the ceremony both Ray and Vardon took the opportunity to praise Ouimet as a sportsman and golfer. Ray said that Ouimet had played the best golf that he had ever seen in America and that it had been an honor to play with him and no dishonor to lose to him.

Vardon brought cheers from the gallery when he frankly stated that he had never a chance to win with Ouimet during the play-off, because the lad played better golf and never gave them an opening at one of the eighteen holes. Secretary John Reid, Jr., in awarding the championship medal to Ouimet, the trophy to the Woodland Club of Auburndale, Mass., which he represented, and cash prizes to Vardon and Ray, took occasion to apologize "in a slight way" as he put it, for the outbursts of cheering at inopportune times.

REVOLUTION DUE NOW IN VENEZUELA

New York, Sept. 20.—Jose Manuel Hernandez, the Venezuelan general, more familiarly known as "El Mocho," sailed on the steamer Mocho for San Juan, Porto Rico, today, with carefully laid plans of action whereby, it is believed, he hopes to depose President Gomez of Venezuela.

These plans required a year to mature, for, although General Hernandez announced long ago that his country must have a change of government, of policies and of personnel, it was not until recently he seemed to have decided the hour for the effort had arrived. This decision was largely based on communications which he received from his followers in Venezuela, who he is the leader of the Nationalist party.

"I am going because I have been called," he said simply. He is accompanied on the trip by Col. Parra, who has fought under General Hernandez in other battles, and who will act as his aid.

shot. Colonel Lowther has been a popular figure with all classes in the capital, and general regret is expressed at his departure.
