The occasion being the 18th anniversary of their wedding day. The evening was pleasantly spent in playing games and at about 12 o'clock a dainty lunch was served of sandwiches, all kinds of cake and a good cup of coffee to between twenty-five and thirty friends who had gathered to wish the worthy couple many happy returns of the day. An address was read by the Rev. W. K. Read, ably responded to by the Doctor, which after the reading was presented to the bride of eighteen years ago. Then came a song by Miss Marie Pirie, which was much enjoyed by all, then a duet by Miss Pirie and Dr. Kirkpatrick and then Auld Lang Syne and God Save the King, in which all joined, then it was time for good-night and home, after a very much enjoyed evening.

## Child Was Nervous, Irritable, Tired Out

She Had No Appetite, and Her Complexion Was Pale and Sallow.

How many parents realize the strain which going to school means to the child who is naturally nervous and of delicate health?

You see them come from the schools daily with pale faces, many wearing glasses, and looking tired and worn. At home they are irritable, do not sleep well at nights and are upset by a little extra excitement.

If they are to grow to healthy manhood and womanhood their systems must have attention now. Such treatment as Dr. Chase's Nerve Food does wonders for children in this condition.

We are constantly receiving letters from grateful parents telling what the Nerve Food has done for their children. This one is a fair sample:

Mrs. Stephen Hartman, Italy Cross, Lunenburg Co., N. S., writes: "My little sister at eleven years of age became nervous, irritable and seemed all tired out. She had no appetite, was

was listless and drowsy and her complexion grew pale and sallow. Finally she had to keep her bed and have somebody with her all the time. She was afraid of everything, would get excited and tremble till the bed would shake. As she seemed to be getting worse under the doctor's treatment, mother decided to try Dr. Chase's Nerve Food. After she had used about four boxes, improvement was noticeable and it was wonderful to see how much brighter and stronger she grew week by week. She used ten boxes all together and they cured her. She got fat and rosy and went to school every day with an ambition that she never seemed to have before. I do not hesitate to recommend Dr. Chase's Nerve Food to anyone, for it was indeed wonderful what it did for her."

## The Gold Dust Twins' Philosophy

DOES it occur to you, my friends, that woman's labor never ends—that is, if she's inclined to be a trifle stubborn constantly. Some housewives glory in the thought that battles won must be re-fought.

This jingle is for those who try to smile at toil and reason "Why," who will not let the household cares crush down life's other glad affairs. You'll find, where reason fails, in a certain town, that Gold Dust helps to minimize the number of back-aches and sighs.

The Gold Dust Twins forever toil, with dirt and trouble as a foil. They start each morning, at the top, and only after night-fall stop. There is to do it NOT to DIE. There is to never question "why?" At kitchen tasks their talents shine; the floors they polish up are fine; in fact, no matter where they go they leave a spotless trail; and so, like sunshine, when the sky is grey they help to drive the clouds away.

Each grain of Gold Dust also shares in cleaning up the household wares; each mop it touches seals a bond, to make a mop a fairy wand; each brush or cloth holds regal sway in driving dirt's dull care away.
