### GUM TENDERNESS — A TOOTH-MENACE

It is true that four out of five people over forty suffer from gum-shrinkage, or Pyorrhea (Riggs Disease). But many people even under thirty have Pyorrhea. Women, particularly after the baby comes, are peculiarly subject to Pyorrhea. At such times they cannot be too careful about their teeth.

Pyorrhea commences with tender gums, or with gum-bleeding, at tooth-brush time. Gradually the gums become spongy. They inflame and then shrink. The teeth become exposed to decay at the base and tiny openings in the gums become the breeding places of disease germs which infect the joints—or tonsils—cause other ailments.

Beware of that first gum tenderness! Try Forhan's for the gums. It positively prevents Pyorrhea, if used in time and used consistently. No ordinary tooth paste will do this.

And Forhan's cleans teeth scientifically as well. Brush your teeth with it. It keeps the teeth white and clean.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment. 30c and 60c tubes. All druggists.

**Quit Laxatives.**  
**Purges; Try NR**  
NR Tonight—Tomorrow Feel Right

It is a mistake to continually dose yourself with so-called laxative pills, cathartics, oil, purges and cathartics and force bowel action. It weakens the bowels and liver and makes constant dosing necessary.

Why don't you begin right today to overcome your constipation and get your system in such shape that daily purging will be unnecessary? You can do so if you get a box of Nature's Remedy (NR Tablets) and take one each night for a week or so.

NR Tablets do much more than merely cause prompt easy bowel action. This medicine acts upon the digestive as well as eliminative organs, promotes good digestion, causes the body to get the nourishment and get the food you eat, gives you a good, hearty appetite, strengthens the liver, overcomes biliousness, regulates the bowels and gives the whole body a thorough cleansing.

This accomplished you will not have to take medicine every day. An occasional NR tablet will keep your body in condition and you can feel well.

Try Nature's Remedy (NR Tablets) and prove this. It is the best bowel medicine that you can use and costs only 25c per box, containing enough to last twenty-five days. Nature's Remedy (NR Tablets) is sold, guaranteed and recommended by your druggist.

**DRINK A GLASS**  
OF REAL HOT WATER  
BEFORE BREAKFAST.

Says we will both look and feel clean, sweet and fresh and avoid illness.

Sanitary science has of late made rapid strides with results that are of untold blessing to humanity. The latest application of its untiring research is the recommendation that it is as necessary to attend to internal sanitation of the drainage system of the human body as it is to the drains of the house.

Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well should, each morning before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatic stiffness; others who have sallow skins, blood disorders and sticky complexions are urged to get a quarter pound of limestone phosphate from the drug store. This will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

### IMPERIAL'S PICTURE MADE PEOPLE CRY

Strong Emotional Interest in  
"When a Girl Loves"—A  
Mildred Harris Picture.

With the orchestra playing "Throw Out the Life Line," whilst the pictorial play depicted a thrilling episode in the life of a real man, a lot of hardened mining camp men and women in a bar-room, he (the minister) masquerading in stolen clerical raiment, the combination of circumstances was truly unique at Imperial Theatre last evening. There were tears in many eyes and while the thing at times looked as if it might be a bit sacrilegious it turned out to be one of the most powerful preachments a person could imagine—a story that suggests how mysteriously the divine power sometimes works in converting unbelieving people by their own words and actions.

William Stowell was the robber-express agent in the mining town who to carry out his nefarious plan intercepted his successor en route to the camp—a minister, by the way—and stealing his money, he fled. The minister, however, was not to be so easily bluffed. He was the new express employee. He preached, he held revival meetings and even fought sinners with his fists, and while he was doing this good work conscience somehow or another would not let him carry out his gold-stealing plans. The more he acted the part of preacher the deeper became the conviction that he was on the right track and that his God-defying atheism was a hollow sham. And so he became converted and a good man.

Mildred Harris played the not inconspicuous role of the sickly clergyman's daughter, the clergyman who was waylaid and made to rest up in the cabin while his "friend" worked the minister same at the camp. She was as sweet and as sensitive as ever and was shown in an entirely new kind of part. William Stowell, who has appeared with Miss Harris in other productions, was the stalwart, sinful yet not unmanly hero-villain and these stars were wonderfully supported.

A special feature of the story was its scenic beauty, the photographs being taken in the famous Arizona goldfields.

Stenor Gaucino sang very nicely a selection from "La Tosca," as well as a popular number and there were Canadian and British topical films as well as Mutt and Jeff, the cartoon comedians in a firmament skit that was a delirium of laughter.

### HEART PALPITATED Could Count Every Beat.

When the heart begins to palpitate, it will beat fast for several seconds, then slow, then start to flutter, and a feeling of utter depression will come over your whole system, accompanied by weak, fainting and dizzy spells.

When the heart gets into this condition, you become weak, worn and miserable, and are unable to attend to either social, business or household duties.

Milburn's Heart and Nerve Pills will give prompt and permanent relief to all sufferers from any heart weakness or nerve derangement.

Mrs. Walter Greaves, Appleton, Ont., writes: "I had been run down, and doctors told me I was anemic, but did not help me with their medicines. I could not sleep nights, my heart palpitated so, and I could count every beat."

I used to have such dizzy spells I would have to go to bed. I was not able to do any work for eight months. A cousin of mine had taken Milburn's Heart and Nerve Pills and told me what they had done for her. I took eight boxes of them, and now I am able to help every day with the work. I am so thankful to tell others what they have done for me, so that they may try this great and wonderful remedy. I hope this may prove good to some one who is suffering the way I did.

Milburn's Heart and Nerve Pills are 50c a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

### "Cannibals of The South Sea Isles" A Film Masterpiece

Nothing Like It Has Ever Been Put on the Screen Before—A Real Photographic Wonder.

The big audience left the Unique theatre last night, after witnessing a showing of Martin Johnson's amazing film revelations of savage life in the South Sea Islands, with two simultaneous and equally stirring impressions. One was personal, subjective and abstract—a pleasurable reaction of the keen and edifying enjoyment derived from the performance; the second, impersonal, objective and abstract, had for its core a vision of stupendous possibilities latent in the newest of arts—the motion picture.

Doubtless all who saw the first chapter, and many more will avail themselves of this opportunity. Two shows every afternoon, at 2-3:30; Evening, 7-8:30. Prices: Matinee, 10 and 15c. Evening, 15 and 25c.

### LIQUOR SEIZURE AT MONCTON

Eighty-two Gallons of the Ardent Found Ingeniously Stored in a Pullman Car.

Special to The Standard. Moncton, N.B., April 28.—Chief Ridout and Inspector Belliveau made a big seizure of liquor, upon the arrival of the Halifax bound Ocean Limited here this evening. Some eighty-two gallons of contraband booze were found stowed away in a Pullman car. The liquor was found for Halifax, but beyond having this information, the officers could find no marks of identification to show who shipped it, or to whom it was going. The Pullman car conductor and porter denied knowing anything about the liquor, and seemed surprised when it was discovered by the police. The shipment consisted of 67 gallons of old rum in gallon tins, and 120 flasks of McPherson's Scotch done-up in packages. The stuff was ingeniously packed away in the under-deck of the Pullman, and might have escaped notice but for the thorough search made by the officers. No arrests were made in connection with the seizure of liquor.

This morning two men were caught getting off the Maritime Express with two grips containing in all sixteen gallons of old rum. The police gave chase and the guilty pair dropped the grips and ran. Later one of the men was caught and in the court this afternoon was fined \$200.

### NOT A PARTICLE OF DANDRUFF OR A FALLING HAIR

Save your hair! Double its beauty in just a few moments.

"Dandarine" makes your hair thick, glossy, wavy and beautiful.

Within ten minutes after an application of Dandarine you can see a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes, but really new hair—growing all over the scalp.

Dandarine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-giving properties cause the hair to grow long, strong and beautiful.

A little Dandarine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Dandarine and carefully draw it through your hair, taking one small strand at a time. The effect is surprising—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a small bottle of Knowledge's Dandarine from any drug store or toilet counter for a few cents and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Dandarine.
