Pythian Reunion

Friday Night

Knights and Friends Enjoyed Every Moment—Unique Feature in Programme.

The first of the series of Pythian Re-Unions was held on Friday night at the new Casino, Upper street, and proved a very successful affair. Over three hundred were present. Informally was the note struck, and several unique features made the evening memorable one. The re-introduction of the Englishancers, polkas, gals, waltzes and Rye waltzes was a very popular idea, the lancers being especially welcomed back. Fifteen sets were formed. A programme of fifteen dances was given by Jones orchestra. Card games were played downstairs.

At a few moments to twelve all lights were turned off, except a foot light, and, joining in two large circles, all present sang "Auld Syne." At one minute to midnight the figure of Old Father Time appeared on the stage and spoke a few words of admonition and farewell. As the clock struck the hour, a little ballet dancer burst through the dist of a large clock, bringing good wishes for 1921 and dancing a pretty dance. All present then united heartily in singing "God Save the King," after which dancing was resumed.

Committees for the evening were: N. L. Brennan, convener for the men's committee; K. D. Spears, secretary. Ladies' committee: Mrs. William Clark, Mrs. Bert Porter, Mrs. N. L. Brennan, Mrs. Noel Stevenson, Mrs. Harrison Kinnear, Mrs. W. H. Gooding.

Comb Sage Tea In

Hair To Darken It

It's Grandmother's Recipe to keep her Locks Dark, Glossy, Beautiful.

The old-time mixture of Sage Tea and Sulphur for darkening gray streaked and faded hair is gradually being supplanted by a modern mother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wych's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights ladies with Wych's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.

The C. P. O. S. Liner Metagama, from Liverpool and Havre, docked here Friday afternoon about 3:30 o'clock. The Metagama left Liverpool on December 13th, stopping at Havre picking up freight and passengers en route.

Brought 1536 Passengers

The liner brought 300 cabin and 1236 steerage passengers, the greater portion of them being for Canadian points. Three special trains were despatched by the C. P. R. for the accommodation of the ship's passengers in reaching their points of destination.

Quantity of Mail

In addition to the passengers the Metagama brought 1,887 bags of mail and 989 packages of parcel post matter, 185 bags and packages being destined for points in the Maritime Provinces. There were also about 2000 tons of general cargo aboard.

Among the cabin passengers were members of the Martin Harvey theatrical troupe who come here to fall engagements under the Trans Canada Theatrical Company. This celebrated company of English actors and actresses were snapped by W. G. McLaughlin, camera man for the Pacific News Service, both aboard ship and ashore. The troupe was met at the dock by Manager Gorrer of the Trans Canada Theatre Co., who accompanied them to Montreal.

RECEPTION HELD AT THE Y. M. C. A.

The Y. M. C. A. Board of Directors and the Ladies' Committee under the direction of Mrs. G. L. Warwick, tendered an informal reception to members of the Y. M. C. A. and their friends New Year's afternoon. Mrs. H. Usher Miller presided at the table. The rotunda was very prettily decorated with evergreen, and the burning logs in the big fireplace lent a very cosy and homely air to the room.

Experts Report On

Fare Schedule

Street Railway Directors Meet Today to Decide on Rate to be Charged.

The St. John Street Railway Company has received from its experts and statisticians, brought here from Boston, their report on a fare schedule that, in their opinion, could be profitably employed by the company in the transportation of passengers.

Zone System

A zone system has been suggested by the experts, but it is not regarded as practical for this city. By this system a certain number of miles from Glen Falls to Haymarket Square for illustration, would be a zone requiring one fare and from Haymarket to city proper a zone necessitating another fare and so on.

The directors of the Street Railway Company will meet this afternoon to consider the suggestion of the experts which have been set forth in writing.

Ten Cent Fare

It is believed by those best informed on company matters that a schedule calling for 10 cents single fare, book of 3 for 25 cents and 15 for a dollar will be adopted. According to President L. R. Ross the schedule appears to be the most feasible one, and the probable one to be adopted to go into effect Tuesday morning. The experts have also reported a schedule that could probably be adopted on a car operated by one man, but is not to be seriously considered by the directors.

Defeated Dennis O'Keefe

Milwaukee, Wis., Jan. 2 — Pinkey Mitchell, Milwaukee lightweight, in a ten-round no decision boxing contest yesterday afternoon, decisively defeated Dennis O'Keefe, Chicago, winning every round except the first, which appeared even, or a "feeling out" session. Mitchell scored 158 1/2 points, and O'Keefe, 142.

Winnipeg, Jan. 2 — Frankie Mason of Fore Wayne, Iowa, fly-weight champion of America had an edge over John Ritchie of Chicago, in a rather uninteresting twelve-round boxing bout here on New Year's afternoon. The boys failed to show what was expected of them, and the crowd was very displeased with the performance of either bouter.

FALSE ALARMS.

Two false alarms were sent in New Year's Eve and the fire department had needless calls to boxes 4 and 412.

BORN.

PURDY—On January 1st, 1921 at the Evangeline Maternity Home, to Mr. and Mrs. R. C. Purdy, 186 Victoria street, a son—Cuthbert Alozo.
