

## DISCUSS PLANS FOR NEW CHURCH HOME

King Street Presbyterians  
Will Delay Building Until  
Next Year.

Although no action will be taken for another year at least by the members of the King Street Presbyterian Church regarding the building of a new church or the remodeling of the present building, two propositions discussed at a meeting called for the purpose on Wednesday night, will be laid before the board of managers for consideration report will be brought in by the members of the board, and some action will then be taken.

It was first proposed that the present building should be remodeled. It was planned that a 2-story extension should be built at the rear of and adjoining the present building. The addition containing two large rooms, 37 feet by 19 feet each, separated by great folding doors would house the Sunday school. By moving the Sunday school to the building, the basement of the church proper would be used entirely as a gymnasium.

Plans drawn up showing the proposed changes were laid before the meeting by W. G. Murray, secretary of the church. The cost of erecting a full modern Sunday school, as proposed, would be somewhere in the neighborhood of \$15,000. It was believed that the changes to the front of the church would cost \$4,000, and the organ \$8,000. The whole would cost, it was estimated, \$27,000.

Sell Dundas Property.  
The other plan was that an entirely new building should be erected on a site a few blocks east of the present church. It was believed that the cost of the present site for church purposes would not warrant an expenditure of \$20,000. It was estimated that a new church could be erected at a cost somewhere under \$50,000.

Members of the church believe that the church could be improved for purposes by the end of the present year. Rev. W. R. McIntosh thought the congregation owed the church a new building. He believed that the young people of the church to carry the burden of the church.

The meeting voted that the property at Dundas and Erie streets, owned by the church, should be put up for sale. The price was set at \$10,000. It was the unanimous belief of the meeting that the property was more suitable for commercial use than for a church site.

## TWO CANDIDATES IN WARD FOUR CONTEST

J. M. Donahue and H. J.  
Childs in Aldermanic  
Race.

As was generally expected only two candidates were nominated last night in the ward 4 by-election to fill the vacancy on the city council caused by Ald. C. G. Moorhead's death.

Herbert James Childs, dentist, 632 Dundas street, was the first named. His nominator was George A. Burdick and his second William Charlton. He qualified.

James Walter Donahue, barrister, 552 Waterloo street, was the other nominee. He was placed in the running by Frank McKay and John M. McGuire. He has until 3 o'clock each day to go to the city hall, March 17 and 18, if they expect to be on duty and out of the city Saturday, March 19, when the ballots will be cast at the usual polling place on that date.

## HEAVY LOSS BY PRICE-FIXING

Costs Ontario Apple Growers  
Millions Each Year,  
Says Preston.

TORONTO, March 9.—Establishment by the Ontario Government of warehouses in England for storage, sorting and sale of exported Ontario apples was formally advocated by W. T. R. Preston, Port Hope, today before the special committee of the Legislature appointed to deal with marketing and export of products, and losses of millions of dollars are sustained annually by Ontario because of operations of a price-fixing ring in Britain, Mr. Preston said.

Extension of the powers of the committee to deal with products, other than fruit, was asked to a resolution passed by the committee.

## HAD AN ANNOYING HACKING COUGH

GOT NO REST AT NIGHT.

Hacking coughs are very wearing on the system. The constant coughing disturbs the rest, and keeps the lungs and bronchial tubes in such an irritated and inflamed condition, that unless you get immediate relief the cough may become settled and serious lung trouble ensue.

There is no better remedy than Dr. Wood's Norway Pine Syrup for relieving all kinds of coughs or colds, combining as it does the lung healing virtues of the pine tree with which is combined wild cherry bark, and the soothing and healing expectorant properties of other excellent herbs and barks.

"Dr. Wood's" is put up in a yellow wrapper; three pine trees the trade mark; price 35c and 50c a bottle. Manufactured only by The T. Milburn Company, Toronto, Ont.

## BOARD OF EDUCATION MUST CUT \$100,000 FROM ESTIMATES

No. 1 Committee Hands Out  
Ultimatum.

## RUTHLESS SLASHING

To Keep Down Tax Rate Is  
Carried Out by Councilors.

An ultimatum to the board of education to cut \$100,000 from its estimates or collect its own taxes came as a surprise to the members of the board of education at the meeting of the No. 1 committee of the city council last night. More than \$90,000, or two mills, was struck from the figures as originally drawn up.

No salary increases in any department were allowed. The only unusual expenditure approved was that to add fifteen men to the police force.

After drastic reductions had been made in all other estimates the committee faced those of the board of education totalling \$777,223, an increase of 30 per cent or \$183,944 over last year and requiring a tax rate of 12 1/2 mills to raise the money.

Collect Its Own Taxes.  
"If we can't do anything with these estimates we let the board collect its own taxes," said Mayor Little. "We have managed to reduce our estimates, but they have taken advantage of the increase in assessment and are asking a higher mill rate as well. They increased salaries in the face of decrease of living costs. The assessment now is \$23,000,000 with the annexed district greatly under-assessed. We don't have to collect their taxes for them. We let them collect their own taxes. We may find our per capita assessment too high. We have got to be careful. We have only the normal increase of assessment to come and go on, as we have reached the limit of our tax rate. The board of education can help to relieve some of the burden on the people if they use common business judgment."

Periods of Growth.  
Ald. Cameron Wilson said the facts should be brought before the people to make them realize that education was costing them fifteen and a half mills, while some of the aldermen were being paid for twenty-three mills.

Ald. Bridge suggested passing motion showing that the council was making no salary increases and asking the board to follow suit. He said: "We don't have to collect their taxes for them. We let them collect their own taxes. We may find our per capita assessment too high. We have got to be careful. We have only the normal increase of assessment to come and go on, as we have reached the limit of our tax rate. The board of education can help to relieve some of the burden on the people if they use common business judgment."

Police Force Estimates Passed.  
Police force estimates totalling \$140,475, the cost of which the city is estimated at \$21,557, Mayor Little favored as large an increase as 25, while some of the aldermen wanted only seven men. It was left at that. The mayor said he would not add only five men to each platoon and was barely sufficient for patrolling the increased area of the city.

Purchase of a service ladder truck for the fire department for \$13,000 to replace present horse-drawn equipment was approved, although estimates for other equipment were not. No provision was made to pay firemen for their board to follow suit. He said: "We don't have to collect their taxes for them. We let them collect their own taxes. We may find our per capita assessment too high. We have got to be careful. We have only the normal increase of assessment to come and go on, as we have reached the limit of our tax rate. The board of education can help to relieve some of the burden on the people if they use common business judgment."

Minor Reductions Made.  
Two minor reductions were recommended by the committee. One was a reduction of \$20,000 in the proposed expenditures on the market. It was decided to cancel the debtors issue for the municipal fuel yard. Several reductions were made in the estimates of No. 2 committee.

## WEDDING BELLS

WRIGHT-DOAN.

On Wednesday, Edna Lila, eldest daughter of Mr. and Mrs. Alex Doan, Komoka, was united in marriage to Harold Wright, son of John Wright, Haddfield, Suffolk. Owing to recent bereavement in the family the ceremony was performed quietly at the parsonage by Rev. Hooper. The attendants were: Alex Master, Stanley and Edgar Doan and Mr. John Wright. Mr. and Mrs. Wright will make their home in London after a short honeymoon trip to Niagara Falls and Buffalo.

## G. W. HOFFERD IS ELECTED PRESIDENT OF R. E. COUNCIL

Speakers Deplore Neglect of  
Family Worship—Movies  
in Vogue.

## RUTHLESS SLASHING

To Keep Down Tax Rate Is  
Carried Out by Councilors.

G. W. Hofferd was made president of the London Religious Education Council at the final session of the annual meeting held yesterday in Wellington Street Methodist Church. Mr. Hofferd, who has been active in this organization since its inception, fills the vacancy left by Rev. W. J. Knox, who died recently.

Education in the Home.  
Rev. C. A. Myers and Rev. T. A. Halpenny were the special speakers at the closing session. Mr. Myers speaking on "Education in the Home." "The average home is a failure as regards teaching religion to young children, and there is not adequate time in the Sunday school for sufficient training along religious lines. The situation is black, though there is a bright side to raise the blackness in that there are more than ever before," said the speaker. "It is an entirely wrong thing for the Sunday school to be relied upon to do the religious education of the young people. We must take this drift from family prayer and Bible reading, and put into operation some program that will bring back the family unity. That average home is ready to try out any practical plan that is suggested to it. The first step is to get back to the simple life and to raise the altar. Instead of going to the movies, home in these modern days is a place for sleeping and boarding place. We must take this situation, and permeate the atmosphere of the home with the life of the family altar."

The family altar, went out of existence because it was left to an individual to do all the praying and Bible reading instead of every member of the family taking part. Sunday evening should be spent with the child and their hymn, verse and prayer. Bible story gone over so that it will be impressed upon the child's memory. The time to start to educate the child religiously is from the moment of its birth. Everybody is anxious to raise No. 1, horses and other things. Why not children? A child cannot be a No. 1 child unless his spiritual needs are looked after as much as his bodily needs."

Periods of Growth.  
Rev. T. A. Halpenny spoke along a similar line regarding the importance of a child receiving religious instruction. He outlined the different periods in the child's growth and the different influences he came in contact with. At the afternoon session reports were given by the following: Elementary department, by Miss Howie, girls' work, Miss Helen d'Avignon, boys' work, Lloyd Houlding; adult division, Col. W. J. Brown; training, Rev. N. S. McKeechie; temperance, Mrs. Crawford; treasurer's report, E. E. Reid. Miss Bertha outlined the progress and possibilities of size work.

New Officers Elected.  
The following officers were elected: President, G. W. Hofferd; first vice-president, P. D. Mitchell; second vice-president, Rev. N. S. McKeechie; secretary, J. S. Lovell; assistant secretary, V. K. Greer, and E. E. Reid, corresponding secretary-treasurer.

Representatives to the local board of managers at L. W. Flowers, Israel Taylor, Rev. W. L. Arncliffe, E. J. Brown, J. T. Wallace and Miss V. M. Williams.

That this, the first convention of the Religious Educational Council was a success, was evidenced by the capacity audiences at all sessions.

## GROCERS ARRANGE FOR WEEKLY HALF-HOLIDAY

Plans for the adoption and carrying out among the grocers of the city of this Wednesday half-holiday were discussed last night at a meeting of the executive of the London Grocers' Association held at the Townshend Hotel. The holiday will begin on May 1 and continue weekly until September.

The issue of window cards and other advertising notifying the general public of the holiday was authorized and the printing of these ordered.

## DO NOT GIVE UP HOPE OF HEALTH

Often All That Is Needed Is a  
Tonic to Build Up the  
Blood.

There are many women who have been invalids or semi-invalids so long that they accept their condition as a life burden. They have endured broken sleep, stomach trouble, nervousness, headaches and weakness so long that they have given up hope of enjoying good health. In most of these cases a well-chosen diet, fresh air, and a tonic to build up the blood would do wonders.

To all run-down women the story of Mrs. M. S. Alward, Stevens Settlement, N. B., will prove interesting. She says: "Some years ago I began to feel all tired. I could not stand work, and my head ached almost all the time. I would grow dizzy and everything would turn dark and specks seemed to float before my eyes. My feet would swell and my back ached almost constantly. I tried several medicines, but they did not do me a bit of good. Then one day seeing an advertisement for Dr. Williams' Pink Pills I made up my mind to try them. I first got two boxes and by the time I had used them I felt a little better. Then I got six more boxes, and thanks to them my good health returned. I am now a well and rugged woman, and have had no need for medicine since that time."

You can get these pills through any dealer in medicine at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Company, Brockville, Ont.
