Interlinear Greek-English Gospel of Luke:

SUNDAY-SCHOOL LESSONS FOR 1890.

Just the book for every wide-awake Sunday-school worker. Among Sunday-school helps it occupies a place peculiarly its own. It supplies a Greek text, the Greek order of words in English, and an emphatic translation different from any other now published. These things make it valuable to every careful student of the Word, whether he may or may not read Greek. Teachers and Bible-classes cannot afford to be without this little book if they would know the exact meaning of the text.

Paper binding, post-paid, 25c.
