PERSONS SUBSCRIBING for THE DELINEATOR are requested to specify particularly the Number with which they wish the subscription to commence. Subscriptions will not be received for a shorter term than One Year and are always payable in advance.

TO SECURE SPECIFIC NUMBERS of THE DELINEATOR.—To secure the filling of orders for THE DELINEATOR of any specific Edition, we should receive them by or before the tenth of the month preceding the date of issue. For instance: Parties wishing THE DELINEATOR for November will be certain to secure copies of that Edition by sending in their orders by the tenth of October.

TO PARTIES ORDERING by mail from us or our Agents.—In sending money through the mail, to us or to agents for the sale of our goods, we advise the use of a Post-Office Order, an Express Money-Order, a Bank Check or Draft or a Registered Letter.

Should a Post-Office Order sent to us go astray in the mails, we can readily obtain a duplicate here and have it cashed. An Express Money-Order is equally safe and often less expensive. Bank Drafts or Checks, being valuable only to those in whose favor they are drawn, are reasonably certain of delivery.

A registered Letter, being regularly numbered, can be easily traced to its point of detention, should it not reach us in ordinary course. To facilitate tracing a delayed Registered Letter, the complaining correspondent should obtain its Number from the local postmaster and send the same to us.

THE FOLLOWING COMMUNICATION may be of interest to some of our readers:

BEDFORD, Ind., August 12, 1896.

THE BUTTERICK PUBLISHING CO., New York.

DEAR SIR:—Some time ago I ordered *Child Life* from you and in due time it came and I was highly delighted with it. It is one of the best publications of the kind I have ever seen. If some moneyed philanthropist wanted to benefit the world, I know of no better way than to place a copy in every home in the land. My philanthropy is necessarily on a small scale—but I gave my book away to a mother of seven children, upon the condition that if I could not get another I should have it again. Enclosed please find sixty-five cents in stamps for which please send me four copies of *Child Life*. I suppose five cents will cover postage. I wish my order was for one thousand copies. It is such a help to young mothers.

Yours sincerely,

CATHARINE PARKS MULKY.

KINDERGARTEN PAPERS.—Mrs. Sara Miller Kirby, the author of these papers, is one of the foremost Kindergartners of the country. She makes comprehensive and popular review of the whole Kindergarten system, and then proceeds to a detailed description of the gifts, occupations and games and of the way they are used. There are also chapters on Christmas work, on the home Kindergarten, on training and training schools, on the preparation of topics and on the literature and materials used. Price, 4s. or \$1.00 per Copy.

THE HOME is an attractive pamphlet containing experienced advice upon the selection of a Residence, Sanitation, Renovation, Furnishing, Upholstering, Table Service, Carving, House Cleaning, The Repairing of China, Preservation of Furs, The Cleaning of Laces, Feathers and Gloves, and a variety of facts helpful to the housekeeper. Price, 1s. (by post, 1s. 2d.) or 25 cents per Copy.

TO CORRESPONDENTS.—We wish to state that it is impossible for us to answer questions in the number of the magazine subsequent to that already in the hands of correspondents. The enormous edition of THE DELINEATOR compels an early going to

press, and questions to which answers are desired in a certain magazine should reach us not later than the fifth of the second month preceding the month specified. For instance, letters to be answered in THE DELINEATOR for December should reach us before the fifth of October. Letters for the correspondents' column of the magazine, addressed to the firm, will find their way into the proper channel. Correspondents who desire answers by mail must enclose stamp for postage.

THE DINING-ROOM AND ITS APPOINTMENTS.—This pamphlet is issued in the interests of the home, and is of special value to wives and daughters, who, by their individual care and efforts, are home-makers. It contains illustrated suggestions for furnishing a dining-room; instructions for its care and that of its general belongings; the laying of the table for special and ordinary occasions; designs for and descriptions and illustrations of decorated table-linen; fancy folding of napkins; and detailed instructions for polite deportment at the table, etc., etc. Price, 1s. (by post, 1s. 2d.) or 25 cents per Copy.

RECITATIONS AND HOW TO RECITE.—This pamphlet (already in its second edition) consists of a large collection of famous and favorite recitations, and also includes some novelties in the way of poems and monologues sure to meet with general approval. It is an eminently satisfactory work from which to choose recitations for the parlor, school exhibitions, church entertainments, etc. Price, 1s. (by post, 1s. 2d.) or 25 cents per Copy.

DOGS, CATS AND OTHER PETS.—A valuable pamphlet concerning the care of household and other pets, together with interesting anecdotal descriptions of many varieties of animals, insects and reptiles that have been the pets of well-known people. The directions for the care of pets—especially dogs and cats—are authentic and practical and will enable anyone to properly minister to the necessities of pets either in health or illness. Price, 6d. (by post 7½d.) or 15 cents per Copy.

HEALTH: HOW TO BE WELL AND LIVE LONG.—The special mission of this pamphlet is fully indicated by its sub-title. Rational personal care of one's natural physical condition, without the aid of drugs and medicines, except when the latter are absolutely necessary, are two of the many strong points of the subject matter of the pamphlet. Every chapter is valuable to every reader of it; and a perusal of the entire collection, with an adoption of its suggestions, is almost an assurance of an agreeable, green old age. Price, 6d. (by post, 7½d.) or 15 cents per Copy.

MEASURING TAPES.—No dressmaker can afford to be without a tape-measure that is at once accurate and legible, for upon it, as much as upon any other implement she uses, depends the success of the garments she makes. On another page we publish an advertisement of tape-measures which are manufactured expressly for us, and which we guarantee superior in every particular.

OF INTEREST TO YOUNG MOTHERS.—We have lately published another edition of the valuable pamphlet entitled "Mother and Babe: Their Comfort and Care." This work is by a well-known authority and contains instructions for the inexperienced regarding the proper clothing and nourishment of expectant mothers and of infants, and how to treat small children in health and sickness, with full information regarding layettes and their making. Price, 6d. (by post, 7½d.) or 15 cents per Copy.

SOCIAL EVENING ENTERTAINMENTS.—The entertainments described are novel, original, amusing and instructive and not of the *Purely Conventional Type*. A few of the many offered are: A "Literary Charade Party," "A Witch Party," "A Ghost Ball," "A Hallowe'en German," "A Midsummer Night's Entertainment," "A Flower Party," "A Fancy-Dress Kris Kringle Entertainment," "The Bowers' Christmas Tree," "A St. Valentine's Masquerade Entertainment," etc., etc. Price, 1s. (by post, 1s. 2d.) or 25 cents per Copy.
