
There are several other instances of equally bad surveying on the same page.

See also pages 313 and 346, same volume.

In Report* for 1850 see pages 3, 61, 120.

Do 1851 do 86, 91, 173.

Do 1852 do 59, 101, 103, 118.

Do 1853 do 6, 51, 67, 103.

In Arkansas for 1851 it was estimated that \$18,000.00 would have to be spent for re-surveys (See Report 1850, page 66).

In the Lower Peninsula of Michigan, in 1855, \$25,160.00 was required for the re-survey of 36 townships.

See Report 1853, page 67 and page 51.

See also Report 1852, page 103.

In Michigan, for the year 1856, over \$15,000.00 was required for re-surveys.

See Report for 1854, pages 53, 65 and 86.

See Report for 1853, pages 92 and 93, *re* fraudulent surveys.

DEPARTMENT OF CROWN LANDS,
Ottawa, 3rd August, 1866.

*Report of Commissioner General Land Office.
