An Evening Out with Roger Doris

Continued from Page 7

+++
I understand that the Jockhouse Tavern on the Lakeshore has changed the seating in their dining lounge as well as some other renovations.

Customers say that the food has always been good and now with the new seating, it is a most enjoyable spot.

+++
Three great musicians, and gentlemen, have turned the Lounge in the Cara Inn into a most popular spot.

Pianist Lou Snider, bass player Joe Niosi and drummer Bob Reinhart play the kind of music that many people find most enjoyable.

+++
They have been doing such a fine job and are so well liked, that I understand their contract has just been renewed for another six months.

+++
If you haven't made your plans for New Year's Eve yet, you will notice that there are still some places with a few openings.

A scan of these pages will give you an idea of the many great evenings planned to suit many different tastes and pocketbooks.
