William Kirby, Esq.,
Box 273,
Niagara-on-the-Lake,
Ont.

Dear Mr. Kirby:

Your letter of the 21st marked personal and confidential reached me last evening. I have read this with much interest. You however asked me at its close for my opinion of your suggestion but an perusal of your letter fails to disclose that you made any suggestion. Will you kindly let me know definitely what suggestion you desire my opinion upon.

Yours very truly,
