AIR MAIL

District Inspector, Air Regulations,
717 Dominion Public Bldg.,
Winnipeg, Man.

1. Reference is made to your letter of September 12th, 1946, concerning the subject aircraft.
2. The maximum total weight authorized, when operating as a seaplane and when equipped with Edo 60-1320 floats is 1,200 pounds.
3. Aircraft Specification A-691-5, dated March 13th, 1946, covers the weight limitation referred to above.
