

Personal Gifts

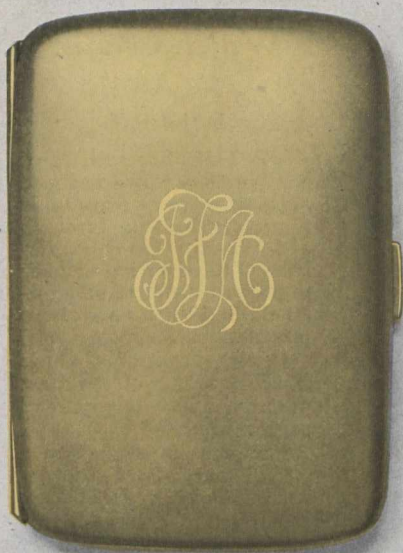

In Gold for both Men and Women

FOR those considering a gift a little out of the ordinary they may be assured that a selection from this page will be sure to please. Although essentially gifts for men, many of the articles are also appropriate little suggestions for the lady folk.

For those who smoke, a Cigarette Case, Cigarette Holder or Match Box is a splendid choice, while the Pencils, Pen, and Knives are popular among the more strictly useful gifts.

Sensible as well as a very suitable little remembrance is the Key Holder C224505 — the blank of which can be cut to fit any lock. The Dunhill Cigarette Holder C224506 as a gift is also very appropriate and would, without a doubt, be welcomed by almost any man.

These articles are illustrated four-fifths of their actual size.
