(Cour Ville-Marie, No 112)

“ Attendu que le maire de Rome a récemment prononcé des paroles blasphématoires contre le Christ, son représentant Notre Saint-Père le Pape et tous les catholiques;—il est résolu que cette Cour proteste hautement contre la conduite indigne de ce magistrat aveuglé par sa haine contre le Christ et Son Eglise, et qu'elle affirme ici son entière fidélité au Vicaire de Jésus-Christ et à ses enseignements.

## 120 COUNTY BOARD (Board of Erin)

Whereas some years ago when Nathan was elected Mayor of Rome, the Christian world was filled with shame and apprehension with the thought of an atheist being chief magistrate in the City of the Popes. — Whereas, these apprehensions have been realized beyond all expectations by the outrageous and blasphemous insults respecting the Divinity of Our Lord and against the person and the dignity of our Holy Father the Pope. — If the whole Christian world has been shocked at the direct insult offered by Mayor Nathan, not only to the present occupant of the Vatican, but to Our Divine Saviour Himself, the members of the Board of Erin are doubly aggrieved. Remembering with that warm embrace the Popes of Rome received the exiled sons of St. Augustin, St. Dominic, and St. Francis, when a persecution at home sent them adrift on the Continent of Europe. — Be it resolved that the officers and members of the Board of Erin both in Canada and the United States, register their profound disgust and indignation at the conduct of the chief magistrate of a city which owes its fame, its existence, and its eternity to the Popes of Rome. — Be it further resolved that we place on record our filial attachment and everlasting loyalty to the See of Peter.

(Signed) A. P. CULLINAN, national chaplain, DANIEL GALLERY, national vice president, J. A. HEFFERNAN, county president, THOS. MARKEY, county vice president, GEO. DONOHUE, county secretary.
