HOLSTEIN-FRIESIAN NEWS

Farm and Dairy is the leading exponent of dairying in Oanada. The great majority of the members of the Ganadian Holstein-Friesian Association are readers of the paper. Members of the Association are invited to send items of interaction in the column.

Our Two Leaders

They say a man is known by the company he keeps. It is equally true that a farmer is judged by the machinery he buys.

You will find certain farms the standard for what a farm ought to be, and on these farms will be exhibited a
