POWER ON THE FARM BRINGS PROSPERITY TO THE FARMER

**The Lister Gasoline Engine**  
BUILT IN ENGLAND AND SOLD ALL OVER THE WORLD

The high grade of materials and workmanship employed in the manufacture of the Lister Engine, its superior construction, equipment and finish, combined with its great simplicity, render it **THE MOST ECONOMICAL AND RELIABLE POWER AVAILABLE FOR THE USE OF THE CANADIAN FARMER.**

**The Lister Works** are among the largest and best equipped in the British Empire. Lister Farm Machinery maintains that reputation for solid construction and long life associated with goods of British manufacture all the World over. Call on the nearest Lister agent and ask to see our goods demonstrated.

**The Lister Firm** was established nearly a century ago. For twenty years Lister goods have been sold in Canada. A hundred thousand Canadian farmers are our customers. These facts speak for themselves. Catalogues and photographs of Lister power outfits in use on Canadian farms sent free.
