## THE WILFORD HALL REVOLUTION.

### Health Without Medicine

A lost, or neglected, art is hereby restored and brought into universal prominence and demand whereby constipation, dyspepsia, fevers, piles, headache, incipient consumption, liver complaint, kidney and urinary difficulties, nervous and general debility—including the serious effects of secret sins; la grippe, &c., &c., are effectually removed by the re-vitalizing process of nature brought into active and unobstructed play through the peculiar agency of this unique system. The effect on nearly all manner of diseases is truly marvellous. Write or call for a Free Copy of *The Microcosmic Monthly*, an eclectic journal devoted to the Physical, Social and Ethical Life of Man—contains the history of the re-discovery of this system, results of the treatment, strongest possible endorsements from ministers, doctors, editors and others who have been cured when all other agencies failed, and, in many instances, when every hope itself had fled.
