Tripure Water is three times pure
(1) It is sterilized by heating it to 212 degrees.
(2) All mineral, animal or vegetable matter and all germs or bacteria, dead or alive, are precipitated to the bottom of the still.
(3) Pure air is introduced at 212 degrees, while all noxious gases pass out at top of still.
Result: "The Purest Water in the World."

WOMAN'S BAKERY

103 King St. West,
TORONTO

PUT MONEY IN YOUR POCKET

"Money in Your Pocket" is one's best friend, we're told. If this be true at ordinary times—and it is—how much truer is it in the hour when all that was mortal of the family provider lies cold in death? When calamity and sorrow come we all discover that one of the few, if not the only earthly friend, to stand by us, is Mr. Money in Your Pocket. The surest way of having this indispensable friend is through the medium of life insurance, whose wings of protection are spread over untold numbers of parents and children. In this great work of promoting thrift and investments that pay the largest dividends it stands alone; and among the Canadian insurance companies most firmly entrenched in the public mind for good business methods, liberal, fair dealing with its policyholders, and dependability, is THE CONTINENTAL LIFE.

If you are insurable get insured then, while you may, and avoid those pitiful regrets experienced by so many when too late to get it. **SAVE NOW**; put ready money in your pocket by taking out one or two of our shock-absorbing, peace-giving policies.

Heed this warning by seeing your nearest Agent of the Company, or write to either of the undersigned at Head Office for full particulars, stating your age at nearest birthday.

CHARLES H. FULLER, **GEORGE B. WOODS,**
Secretary and Actuary President and Managing Director

THE CONTINENTAL LIFE INSURANCE COMPANY
