This Knot

is small, but it costs farmers money. Delays and breakdowns are expensive in harvest time. Cheap binder twine has many knots, which cause delays. Use

Plymouth Binder Twine

It is better made, smoother, free from knots. It looks better in the ball—it is better in use. Guaranteed full length and extra strength. One man says: "There is not a dealer or farmer in this county who does not regard Plymouth Twine and Rope the best he ever saw." Get Plymouth Twine at the local dealer's.

The "NEVER FAIL" OIL AND GASOLINE CANS GALVANIZED IRON

3 and 5 Gal. Imperial Measure

ADVANTAGES OF THE "NEVER-FAIL" CAN
You have no oil valves or pump to get out of order, no faucet to leak and drip. You do not have that disagreeable odor of oil and gasoline in your rooms when using this Can.
You need not be afraid of an explosion if you use the "Never Fail" Can.
You do not have oil all over your hands, lamp and floor, when using a "Never Fail."
Your oil and gasoline bills will be one-third less when using one of these cans, as they are air-tight, allowing no evaporation.
It is the only Can wherein gasoline may be kept with any degree of safety.
Ask your dealer for a "Never Fail." Take it home and use it, give it a fair trial; then, if not satisfied, take it back and demand your money. Can you ask any more than this? Will you not give it a trial on these terms?
Will draw over a gallon a minute.
Will take all the oil out of the can.
Will run the oil from lamp back into Can.
Your money back if not satisfied.
If your dealer can't supply you, write us.

SUMMER SHIPMENTS OF GRAIN

Farmers who have still wheat or oats on hand should not delay now in getting the same shipped forward to Fort William and Port Arthur in order to secure the comparatively high prices which will be going for old crop grain during July, and probably the most part of August.

Farmers can only be sure of getting all that they ought to realize out of their grain by shipping it in carlots to Fort William or Port Arthur, and having it sold for them by a first class commission house, acting as their agent.

We possess unsurpassed facilities for handling wheat, oats, barley or flax for farmers who ship their grain themselves, because we are a reliable commission firm, of many years standing and experience, well known over Western Canada as working solely on commission as agents for shippers, and we are prepared to handle to the best advantage for our customers all grain entrusted to us. We make liberal advances against railroad car shipping bills immediately we receive the same, and make prompt returns after sales have been made.

We always give our customers the name and address of the party or firm to whom we sell their grain.

When in Winnipeg at the Industrial Exhibition, or at any other time, we will be much pleased to have farmers visit us at our office in the Grain Exchange Building.

Please write us regarding prices and market prospects, and for shipping instructions, any information or advice about selling will be promptly and cheerfully given.
