63,000 in Use

The Model 75 and 75 B Series of Overlands have shattered all selling records.

Already there are 63,000 in use.

The whole country is buying this Overland.

The demand is huge and steady.

Such smashing value was of course bound to make this the fastest selling complete automobile ever offered.

The motor is a wonder—full 31½ horsepower.

But though unusually powerful it is wonderfully economical—20 to 25 miles on a gallon of gasoline is the usual report.
