Father and Two Sons Enlist.
Mr. Joseph Schultheis of Kerr Robert Sask.; a former resident of Mildmay, is certainly giving of his best to the Empire. He has enlisted for overseas, and his two sons are also wearing the khaki. All are in training now, and will be ready in a few months to cross the ocean. The Schultheis family now has six men in uniform.

Patten—Pletsch.
On Wednesday, August the second, at high noon, a quiet wedding was solemnized at the home of Mr. and Mrs. Lewis Pletsch, when their youngest daughter A. Irene E., and Gunner Bertram B. Patten of the 55th Battery, C. F. A., son of Mr. and Mrs. Thomas Jefferson Patten, St. George, were married. Rev. J. Burn performed the ceremony. Only the immediate relatives of the bride and groom, besides a few girl friends, were present for the ceremony which was conducted in the living room. The bride, who was given away by her father, wore her travelling suit of navy blue taffeta with rose trimmings and hat to match, and corsage bouquet of lilies of the valley and sweetheart roses. Mrs. Charles B. Patten of Ottawa played the wedding march. After a short honeymoon to Niagara and other points, the groom expects to leave for overseas.

Death of J. D. Kinzie.
The death of Mr. J. D. Kinzie of Berlin, took place rather suddenly on Wednesday morning of this week. Jacob Devitt Kinzie was born in the township of Blenheim, Oxford County, in the year 1844. He spent his boyhood in that section of the country, and came to Carrick in 1879, settling on a farm on the 6th concession. Being interested in public affairs, he was elected as township councillor in 1894 and in 1903 was elected as County Councillor for this division. Mr. Kinzie was an excellent farmer, and had advanced ideas of roadmaking which he made practical use of in some sections of the Township. He retired from the farm about ten years ago, and moved to Berlin. He leaves a widow, five sons, Elam, Isaiah, Agabus, Bruno and Edgar, and three daughters, Mrs. Levi Good, Mrs. David Vogan and Mrs. G. Morgan. The funeral takes place on Friday afternoon to the Berlin cemetery.

Interesting Letter From France.
Miss Olive Dickson received the following letter this week in response to a note she enclosed in a pair of socks she knitted for the soldiers.

Canadian General Hospital, France,
July 10th, 1916.
Dear Miss Dickson:—
No doubt you will be surprised to receive this letter. I have just received a pair of socks with the letter inside, so I'm taking the liberty of writing you. We all deeply appreciate the kindness shown to us by our folks at home, and socks are always welcome out here. You know we can't repair our old ones like our mothers or sisters, so I take this opportunity of thanking you. I am one of the "Canucks" from Ontario (Toronto) and am attached to this Hospital. I guess you will see by the papers that our offense has started, and therefore we are kept very busy. We are not so badly off as the boys in the trenches. They're not the nicest places to be in, even in the summer time, although we haven't had much of a summer so far. The weather has been vile, and as far as I see by the Canadian papers, the weather is no better over there. We had a great day here on the 1st of July, we were up very early (which is nothing new to us) and marched down to a cemetery near us here, where nearly 200 of our poor Canadian boys are buried, and held a short service, sung a few hymns, then our buglers played the last post. It was a sight which I'll never forget as long as I live. I must quit now as time is pressing. Thanking you again for the socks. Yours Sincerely, Pte. Wm. Taylor.

The business men of Mildmay decided to observe Monday, August 7th as a Civic Holiday. All places of business will be closed that day. Walkerton over will observe the same day as a Holiday.

Died at Toronto.
Mrs. Grace Moore, widow of the late James H. Moore, formerly station agent at Mildmay, passed away on Wednesday morning of this week, after a prolonged illness with heart trouble. Deceased was the only daughter of Mr. and Mrs. Thomas Rome, formerly of Mildmay, and was very highly respected here. She leaves one son and one daughter to mourn her decease. The funeral will take place from the 11 o'clock train on Friday to the Balaklava cemetery.

Pte. Leonard Killed.
George Leonard, a young Englishman, who worked for Fred Gutzke and Peter Hakney of Carrick, was killed in battle in France on June 5th. He enlisted here last summer, and went to England with the 34th Battalion. He and Chester Gowdy were in the same company, the former having been wounded on June 3rd. Pte. Leonard met his death by a rifle bullet. He was about 20 years of age, and was well liked by all who knew him here. His mother resides in England.

Golden Wedding.
Fifty years ago this month Mr. John Schetter and Miss Josephine Kuennen were married at St. Agatha by Rev. Father Eugene. On Tuesday of this week, after the completion of half a century of married life, they celebrated their golden wedding. Service was held in the Sacred Heart Church by Rev. A. C. Montag, after which a splendid dinner was served at which were seated nearly one hundred relatives and friends. Mr. and Mrs. Schetter have a family of five daughters and four sons, fourteen grand children and two great-grandchildren. All the members of the family, except the three eldest sons, were present, as well as Mr. Schetter's three brothers, Michael, Ignatz and Charles. The occasion was a very happy one. The aged couple were recipients of a great many gifts, including considerable gold coin donated by the family. The Sewing Circle of the R. C. Church presented Mrs. Schetter with a gold clock.

The weather man succeeded in breaking all previous records for heat last Saturday and Sunday. The temperature on Saturday went to 98 in the shade, but Sunday the thermometer rose to 100 mark. This is the hottest weather ever recorded here, and it is hoped that the heat wave is over for this year. The temperature has moderated considerably and the evenings have become quite cool.

ORGANIZE for Victory!

THE THIRD YEAR OF THE WAR calls for the organized co-operation of every citizen of the Province of Ontario. ALL must help to hasten the day of final triumph. For the sake of those who have made the Great Sacrifice, and of those now overseas or in training, every citizen must give the best service possible. No one need feel "out of it" when the great day of victory comes, but everyone must qualify now by sharing in the sacrifices which the War demands.

Suggestions for Organization

In many Municipalities there are already active patriotic organizations, such as Recruiting, Red Cross, Soldiers' Aid and Patriotic Fund Committees. In such cases, one of these, or, better still, a joint committee of these and the citizens generally, might undertake to co-operate with the Central Committee at Toronto.

Where there is no active representative organization, it is suggested that one be formed at the earliest moment. It should be non-partisan (in the broadest sense), and represent every interest affected by war conditions.

What Organizations Should Do

1. Find more men for Overseas service.
2. Help in keeping our munitions plants working to full capacity.
3. Induce every possible worker, men and women, to serve on the farm and in other essential industries.
4. Find money for the coming WAR LOAN and war funds.
5. In short, assist in the organization of Ontario's resources to meet war conditions and after-war conditions.

THRIFT and ECONOMY, and a careful consideration and preparation for our problems are essential if we would meet the present and future needs. For further suggestions and information you are cordially requested to write at once to ALBERT H. ABBOTT, Ph.D., Secretary, Organization of Resources Committee, Parliament Buildings, Toronto.
