Military Notes

Barriefield, Aug. 17.-Every afternoon Lieut.-Col. H. J. Dawson, has the 59th Battalion on the parade ground for battalion drill, this sometimes taking up all the afternoon to the exclusion of company work. To say that the battalion looks and acts splendidly is to put it mildly. The officers are pleasantly surprised. The companies line keep perfect allignment which would do credit to seasoned troops.

A series of instructional parades in trench digging, sapping and mining and construction of overhead covers, shelters and various types of obstacles will commence this week. An engineer officer will be in charge.

The field kitchen of the 8th C.M.R. has proved of great value on its trek and were it not with the regiment, the men would undoubtedly have had Mr. N. M. Ostrom of Belleville, are in use all the time the regiment was to go with some cold meals. It was

Plums will be at their best the last two weeks in August. The first to get to market are the Gages and Burbanks. The Burbank is the best Japanese pulm. Everybody knows the preserving qualities of the Gages. The quality this season is unusually fine and it will be well to put down an extra supply. Early River and Alexandra peaches are also ready. They are both supremely delicious sliced with cream. The Triumph is the first vellow fleshed peach, and excellent for canning. Better quality will be obtained both in peaches and plums if orders are placed early.
