Shopping through our Catalogue is even more satisfactory than doing so over the counters in a store. Why? Because, when you receive a shipment of goods from EATON'S you have ten days instead of a few minutes, in which to decide whether or not you like them. During that time you can obtain the opinions of your family and friends regarding the merits of our merchandise, and at the same time be absolutely free from any influence on our part. If after examining the goods, you are not perfectly satisfied in every way, send them back and we will refund your money in full and pay all transportation charges. Surely the EATON system of doing business will appeal to you as being not only reasonable and fair, but worthy of a trial order as well.
