That our Rightly made Clothing is Economical for any Man or Boy to wear is a fact. The dollars it costs divided by the months, it wears shows the actual worth. When you come right down to the wearing value of a garment saying nothing about the Style or ht, which our garments Possess. Some unscrupulous competitors are fond of calling us High-Priced and of comparing their prices for their kind of clothing with the Prices we ask for our kind. If you make a ratio of Prices to the quality our Prices are the Lowest every
