A NEW MAN IN THE FIELD

At the conservative convention to be held in Delta on May 1st. The name of R. G. Harvey, the well known miller of Lyndhurst, will be placed for nomination. His many years of business experience in the centre of a wealthy dairying community has brought him in touch with the farmers for many miles around Lyndhurst.

He is a self made man, popular, energetic and active in every good work to advance the best type of citizenship. Should he be fortunate enough to win at convention, the best interests of the Riding would be attended to faithfully. His knowledge of the many needs of farmers and business men would assure South Leeds of a representative who would be useful and efficient in many ways.

A POPULAR RESORT

Again the Cedar Park Hotel, Charlestown Lake, is about to open for the summer season. It has lately been leased by Messrs E. D. Wilson and G. W. Hickey of Athens, and this year the leading summer hotel of Eastern Ontario will be put in such shape that all who patronize it will be assured of nothing but the best. The house is equipped with gas, hot and cold baths, etc. Special arrangements will be made by which guests may obtain lunches, skiffs and livery equipments while at the hotel.

Throughout the entire season it is expected that special attention will be given to picnic parties coming to the lake. And all from far and near will receive the most courteous treatment at the hands of the new management.

Simple Home Recipe

Get from any prescription pharmacist the following:

Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Shake well in a bottle and take a teaspoonful dose after each meal and at bedtime.

The above is considered by an eminent authority, who writes in a New York daily paper, as the finest prescription ever written to relieve Back ache, Kidney Trouble, Weak Bladder and all forms of Urinary difficulties. This mixture acts promptly on the eliminative tissues of the Kidneys, enabling them to filter and strain the uric acid and other waste matter from the blood which causes Rheumatism.

Some persons who suffer with the afflictions may not feel inclined to place much confidence in this simple mixture, yet those who have tried it say the results are simply surprising, the relief being effected without the slightest injury to the stomach or other organs.

Mix some and give it a trial. It certainly comes highly recommended. It is the prescription of an eminent authority, whose entire reputation, it is said, was established by it.

A druggist here at home when asked stated that he could either supply the ingredients or mix the prescription for our readers, also recommends it as harmless.

Chronic Coughs Cured

Mrs. Joseph Eccles of Dromore, says: "I took 4 or 5 bottles of Psychine, and a cough I had continually for nine months disappeared. It is the best remedy for chronic coughs that I ever used."

Thousands of living witnesses pronounce Psychine the greatest medicine in the world. It is not a patent medicine, but a prescription of a great physician. Put it to the test in any case of throat, lung or stomach trouble or any run down or weak condition. At all druggists, 50c and \$1.00, or Dr. T. A. Blouman, Limited, Toronto.

RURAL TELEPHONES

We notice in our exchanges reports indicating activity on the part of towns and villages to secure connection with the many rural telephone lines that are being started in Eastern Ontario, and we suggest that Athens business men devote a little thought to this matter. We have lines formed and forming in Kitley, Rear Leeds and Lansdowne, Elizabethtown, Yonge and Escot; in fact, Athens is being surrounded with rural lines, but we have heard of no effort being made on the part of Athens business men to secure connection with these lines. Would it not be well to give the matter the consideration that its importance deserves?

Athens would be a central place for uniting these lines, and it is quite possible that the Bell Co. would view with favor the giving of the necessary switch-board privileges in its Athens office.

A few days ago the rural and Bell companies at Gananoque entered into an arrangement that will greatly promote the interests of both. Under this arrangement, if a subscriber on the rural line desires to converse with a subscriber of the Bell Co., or vice versa, connection can be had without any charge. The rural company pays the Bell only \$3.00 per year for each phone and will be saved the expense of erecting three miles of poles as well as the necessary wire. They will also be saved the expense of equipping and maintaining a central office, and at the same time get a much better service.

"PARSIFAL" AT BROCKVILLE

"Parsifal", in whatever shape it is presented, whether with all the beauty of Caruso's voice and Conradi's operatic orchestra, or in the blatant translation depicted by Henry Savage, or whether in the form of English Music drama as it will be seen in Brockville Saturday, April 25, at the Grand Opera House, it will always remain an education in itself. No one can deny the beauties of the wonderful story. There is about it that pristine atmosphere of Mysticism, that charm of medievalism, that constant succession of symbolic utterances and acts which makes it impossible to class it with anything modern, and which lifts it to the realm of classic.

In modern thought and aims, the teachings of the piece may seem quixotic, but of such strength is the play, so beautiful are the passages, one is forced to attention, and as the story unfolds act by act, the listener forgets the outside world, forgets the noise and bustle of the market place, the furor of the streets, and is carried on with the Knights of the Holy Grail in their pursuit of that highest life where the triumphant motto of Faith, Hope and Love is the beacon light and the death on the cross an example.

"Parsifal" patrons should bear in mind the unusual hour of commencement, the performance will begin promptly at 7.45, and the management requests that every one be seated by that time, as none can be shown to their seats during the action of the play.

Seats by mail will be forwarded on receipt of remittance and self addressed stamped envelope directed to F. I. Ritchie, Manager Grand Opera House, Brockville, Ont.

A Fine Drug Store

During the past week the drug store of Messrs. J. P. Lamb and Son has been thoroughly renovated and the work completed by giving the whole interior a coat of varnish. The beautiful natural grain of the wood composing the artistic paneling and Japanese ceiling now stands out clearly and presents a very attractive appearance. This drug store, in all its appointments, is equalled by few in town or city. Dust-proof cabinets and drawers, handsome showcases and shelving, an air of neatness combined with the spotless cleanliness everywhere apparent invites and inspires with confidence those purchasing drugs or having prescriptions compounded.

Of the late Messrs. J. P. Lamb & Son have developed what is practically a wholesale trade, acting as special agents for the leading drug companies of the province. At frequent intervals they send orders to these firms, and physicians or others desiring goods not carried in stock by the Messrs. Lamb may have their wants supplied promptly in this way at a considerable saving in cost.

A Conservative convention has been called for the Brockville riding on May 5th.
