GIRL WANTED—Apply to Mrs. Glenn Earl, Athens.

\$100 Reward \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Medicine is the positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Medicine is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case it fails to cure. Send for list of testimonials.

Regular and India-Paper Editions.
Write for specimen pages, illustrations, etc. Free, a set of Pocket Maps if you name this paper.
G. & C. MERRIAM CO., Springfield, Mass.

Where It Falls.

His Wife—"I have a novel present for you. It's a phonograph record of my voice in a nice little talk to you. It will make you think of me while you're away in France."

Maj. Grimbattle—"But, my dear, the phonograph will run only just so long and then it stops."

Chicken Farming.

"What's de fus' thing you does when you's gneter keep chickens?" asked Miss Miami Brown.

"If you's gneter keep chickens in dis locality," replied Mr. Erastus Pinkley, "de fus' thing I'd advise you to do is to practice a little ev'y day wif a shotgun."

Sure, They're All L'ke That.

Mrs. Askalot—"Ah, Mrs. Telfaw, so glad to see you, dear. By the way, what does your husband do?"

Mrs. Telfaw—"He's a furniture finisher."

Mrs. Askalot—"Oh, I don't mean around home. What does he do for a living?"

Question.

"That red-headed constituent of yours says the next time you come to his town he's going to be at the meeting with a basket of eggs."

"Hum," rejoined Senator Sorghum, reflectively, "Ammunition or a bribe?"

The Difficulty.

"Now, sir, in teaching your wife elocution, I want her to make an impressive pause when she comes to a full stop."

"But she never does come to one, professor."

THE WORST PART

Highy—I married a college woman.
Righy—Gee! It must be tough to be tied to a woman who knows so much you don't know.

Highy—No; the toughest part is that she knows how much I don't know.

Willing to Show It.

Mary has a little dimple
Lurking near her chin,
Therefore Mary never misses
Any chance to grin.

Factitious.

"I would lay the world at your feet," said the romantic youth.
"Indeed!" exclaimed the supercilious young lady. "I can't see why you should attempt anything like that with the world in its present mussed-up condition."

Put to Better Use.

"Some men think more of their automobiles than they do of themselves."
"That's right," replied Uncle Bill Bottletop. "I've seen many a man go thirsty himself so's he could afford alcohol to put in the radiator."

And Yet They Seem Voluminous.
"Don't you think some of your remarks might have been omitted?"
"Might have been," exclaimed Senator Sorghum. "Most of them have been!"

The Way of It.

"The indifferent young doctors and lawyers return us good for evil when we turn them out."
"How so?"
"They take us in."

Childhood's Lesson.

Now—He is the meek, subdued husband of a rampant suffragist.
Then—As a child they always said of him: "He's so good about taking his medicine."—Life.

The Evidence in the Case.

"Do you charge that my clerk was trying to escape giving you full measure?"
"Well, sir, I caught him trying to steal a weigh."

Hope Not.

"Women seem to be doing men's work very satisfactorily nowadays."
"Yes, I hope it won't result in our developing a class of he-manicures."

'Shinn Flat Lightning Rods

Shinn Flat cables carry fully 36% heavier flashes because they have 36% more conducting surface than the round cable. If you want the best see us before you buy.
