

THE ACADIAN.

WOLFVILLE, N. S., JULY 1, 1887.

THE JUBILEE.

In no period of the world's history has any human being ever been so universally honored as has been our beloved Queen, Victoria, within the past few days.

Wonderful indeed has been the progress of the British people under her benign sway, and no period of their history is so full of interest as is that during Victoria's reign.

Brilliantly following the children were the order of the Knights of Pythias in goodly number, resplendent in new uniform, plumed helmets and regalia.

Refreshments were provided by the Young Men's Christian Association. The bands kindly gave pleasant pastime to the multitudes that frequently encircled them.

Our Ottawa Letter.

OTTAWA, June 24.—On Wednesday last the session had completed its eleventh week, and yesterday terminated the first session of the sixth parliament.

THE JUBILEE AT SPRING HILL.

The force of enterprise possessed by the good folk of Springhill secured for their town the privilege of celebrating this day for the college of Cumberland.

The procession, one thousand good, and reaching out hundreds of rods, was formed between the schoolhouse and the hay-stacks under a mounted marshall, Mr. Hayes, and the teachers of the graded schools.

The sight of the day.—A fairy chariot drawn by a span of white horses was put at the head. It was built with triple tiers of decorated seats.

The Queen. Three men arrayed in white walked upon each side having guards to hold to prevent accident. Then followed the Springhill cornet band of twenty instruments, rendering selected music to make everyone happy.

Act stands as it was at the last general election, and will not again be revised for two years. All by-elections, such as Digby Co., will be run on the first list.

The Hon. J. H. Pope, Minister of Railways, has submitted and brought before the House the report of the subsidies to railways throughout the Dominion. The total amount of this is \$2,186,500, with

a total mileage of 454. The following is a summary by provinces:—

Table with 3 columns: Province, Miles, Amount. Quebec: 302, \$1,117,200. Ontario: 138, 775,500. Nova Scotia: 68, 216,800. New Brunswick: 26, 137,000.

White Bronze. YARMOUTH, MAINE, July 15, 1885. Mr THOS. MORRIS.—In answer to your enquiry about my White Bronze Monument, I would say that it stands on the sea shore ten feet above high water mark, it is twenty-five feet high, base four feet. It has been erected over ten years, and is as good now as when placed in position; it has not been effected in the least by either heat or cold; no moss or foreign substances gather on it as do on marble; it is as clear and bright as when new, and (in my opinion) White Bronze is superior to either marble or granite for monumental purposes, and I have no hesitation in recommending it to others.

This is to certify that during the summer 1868 at the Schronbrun Palace Gardens, Vienna, Austria, I saw an equestrian statue of Prince Joseph which had been erected 85 years. It was cast of pure zinc, and in appearance was fresh and perfect. A. H. LAANDON, Supt. Pembroke Iron Works, Bridgport, Conn.
