THE ACADIAN.

WOLFVILLE, N.S., JAN. 20, 1899.

Local and Provincial.

The Hantsport Band is expected to play in Aberdeen rink to-morrow evening, and a large party are coming from that place.

An extended programme is to be presented this evening at the piano recital to be given by the students of Acadia Seminary in College Hall. It will be well worth hearing by all lovers of good music.

Rev. J. B. Hemmison has sold his property at Lower Wolfville, which has been advertised in the ACADIAN for the last two issues. The purchaser is an Englishman, whose name and the price we failed to get.

The usual Mothers' Meeting under the auspices of the W. C. T. U. will be held in the Temperance Hall, Thursday, Feb. 2nd, at 3.30 p. m. These meetings are always open to any who wish to attend. All women are welcome.

Quite a large company from Wolfville drove down to Hantsport on Sunday evening last and attended service in the Baptist church. The new pipe organ and the acetylene were the attractions. The pastor, Rev. G. R. White, gave a stirring discourse.

An alarm of fire was given on Wednesday afternoon. The blaze was in a barn belonging to Mr. W. H. Duncan, and was caused by the heating of a barrel of lime. The firemen were promptly on the spot and succeeded in putting out the fire with very little damage to the building.

E. M. MacDonald, M. P. of Pictou, who is said to be one of the most brilliant speakers in Nova Scotia, is to deliver the next lecture of the course being given in the Presbyterian church, this town, on Tuesday evening, Feb. 7th, "Canada and her future" will be his subject. Don't make any other appointment for that date.

In this issue appears the professional card of Dr. Percy Reade. By the persuasion of his many friends Dr. Reade has decided to remain with us, and we are his patients and his conscientious treatment in his hands. The excellent dental training that the Dr. has availed himself of places him among the foremost practitioners of the province.

At the meeting held in the Baptist church on Thursday evening of last week a normal class for Sabbath-school workers was formed. The class will meet on Thursday evenings, alternately in the Baptist and Methodist churches at the close of the prayer-meeting. Last evening the class was led by Rev. Mr. Hatch in the Baptist church, and next week it will be held in the Methodist church, led by Rev. Mr. Donkin.

Arrangements have been completed for the presentation of the drama, "The Last Leaf," in Temperance Hall next Monday evening by the Cornwallis Division dramatic company. The drama is a most popular one, and the manner in which it is rendered is spoken of most highly by those who have had the pleasure of seeing it given in other places. In addition to the drama, a male quartette from Canada will render several selections, and Mr. R. W. Ford has kindly consented to give two violin solos. The entertainment will doubtless be one of the best given in Wolfville for a long time.

New Minas Snow Path.

At New Minas last Saturday afternoon about 300 people gathered to see trials of speed by some of the best horses in the county, and notwithstanding that the footing was soft the public was not disappointed. R. T. M. 2:24 1/2, driven by W. Rockwell, and Longfellow, 2:34, driven by Dick Barry, had a few lively brushes, and to the onlookers seemed to be even. Mayfashion, 2:36, driven by J. L. Neary, and Little Fred, 2:47, driven by Benet, held the eye of the spectator for several turns, but it was quite evident that Mayfashion was the speedier of the two. Among the other notables present was a fine looking bay horse driven by R. H. Dodge, M. P. F.; Sealite, driven by F. J. Porter; Fred and Easy, driven by Ted Bowles; Queen Not, driven by Dr. Bowles; Dan, driven by Capt. Baird.

A lot of Hard Nut Coal just arrived. COLDWELL & BORDEN.

The Nova Scotia School of Horticulture.

The School of Horticulture is now beginning its second term of this season. Quite a number of students attend the Botany from Acadia, and a few are present at the Horticultural classes. It is a great pity that the Horticultural classes are not more appreciated; the teaching is practical (so far as possible at this season of the year) but without theory there can be no practice, yet theory alone is almost worthless, but what a student learns at this institution he or she will be able to apply afterwards. With all the appliances, including greenhouse, microscopes, library and free tuition, the school ought to have many more students on its books.

Horse Notes from Upper Dyke.

Rightly will be in good shape for next Saturday, where we expect to see a number of the best horses that are in the county. Which we think is chief in the very fine stallion, Sir William, owned by Mr. Maxner, who can stamp the county for fine points and breeding.

We hope to see the owners of Warren, Guy and R. T. M. start these horses together and prove to the public which is the best horse on a race path, as many people have their doubts which is the faster horse.

We cordially invite Mr. Wood, who owns the fast two-year-old, and Mr. Starr, who owns the pacer, to think that we can give them some warm company with Moss Beck and others.

Amongst the programme of the day will be a match race between Clarence Kinsman's mare, Maggie, and W. B. Cox's mare, Moonlight.

Mr. A. J. Newcomb's Bashaw mare is plying quite fast this winter.

Mr. J. B. Blanchard has got his grey mare, Nancy, down to a fine clip this winter.

We see Mr. Harry Sheffield driving over Rightly once in awhile with his chestnut horse, which is showing good speed this winter.

Come along, boys! If the track is all right and the weather good we will try to show you a good time.

Centreville.

A number of Mr. and Mrs. Harry Newcomb's friends met at their home on Mrs. Newcomb's birthday, Tuesday evening, and gave them quite a surprise party. Tea was served at about eleven o'clock and was of a most sumptuous kind. Fine instrumental music was rendered, and games of various kinds. Mr. and Mrs. Newcomb are certainly very pleasant and agreeable host and hostess and it is one's own fault if he does not have a good time there.

FRUIT TREES

At Wholesale in Lots of 100 and Upwards.

During the Xmas holidays I visited the Nurseries of Ontario and selected at Grimsby, and two other points near by, a car lot of (1000) ten thousand, consisting of Apples, Pears, (Dwarf and Standard) Plums, Cherries, Peaches, Quinces, Currants, Gooseberries, Raspberries, Blackberries, Grapes, Strawberry plants, Lemon shrubs, Street Trees, also 1000 Rose 2 years on own roots, all of which will be dug in the spring and are first class. I am setting a Fruit Park in the spring of 1899. This entire lot of trees will be unsold by the 1st of May. They will be packed in boxes in car without boxing, and freight rates will be reduced one half. Trees are scarce this year. I now offer a part of the above to large planters, dealers or clubs at wholesale prices where orders are sent in without solicitation. Send list of requirements for quotations. I will print a sheet list of varieties.
