Sackville, N. B.

Mr. S. B. Scott is authorized to and that the speeches are sandcollect monies, make contracts and do other wiched in among other more prac-

whole country by landing at Halifax be heard. Up to the 16th there The soft dough, the agreeable flanpassengers infected with small-pox, had been delivered in all 27 speeches nel and the proximity of the stove passengers infected with small-pox, who dispersing over the country disseminated at large this dreaded disease, resulting already in a number of deaths and the alarm of the whole population. The severe opinion formed of the masters' act is, we submit, very unjust. The position of the master of a passenger position of the master of a passenger number of speeches, filting one fifth public his views on this subject at ship is in many ways analogous to of the number of pages. Of the an early date. that of the Chief Editor of a news-paper. The master, or we will call subject to justify their speaking him, the Chief Officer of a ship has The other two deit-not. It is no dis a certain authority and control over credit to Mr. Irvine that he is a all the passengers and crew and is similarly responsible for their acts. perhaps for being a silly an Likewise, the C. E of a newspaper is held by long established usage to be responsible for all that appears the transient work of correspon ignorance. The electors of Carleton of Queens and Sunbury is simply dents. A provision so admirably adapted as this responsibility is to are queer people if they return him this: ngain, to make a laughing stock of himself and them. His constituents, clevate the character of the press and protect the public from the when they heard him tell of h prostitution of the newspaper to early history, and assert again an serve private malice by the publiagain, that he was "brought up cation of slanders and false reports. has been ingenicusly evaded by our C. E., making a private contract with the printer, whereby utterances which C. E., has not the with regard to his family and ber have only one member, but that was calculated to leave a favorable deposition of the contract to the family and ber have only one member, but that was calculated to leave a favorable deposition of the contract to the family and ber have only one member, but that was calculated to leave a favorable deposition of the family and ber have only one member, but that was calculated to leave a favorable deposition of the family and ber have only one member, but that courage to make, or is ashamed of area assumed by the printe. The C. O. of the "Peruvian" has not kept silent on the Budget question of the "Peruvian" has not kept silent on the Budget question of the Peruvian that the printer of t furnished any evidence that he has him to do. made a private contract with hi thereby the latter assumed responsibility for the acts of the passengers and crew, while on ship. With such a contract he could pass as a saint, and for lack of a little of the wisdom of the C. E, the C. O. has been branded from con inent to ficed human life and exposed these Provinces to a loathsome disease If he wishes in future to land small-

School Reports.

The annual reports for the New have been received. Both Provinces are fortunate in having energetic. devoted and scholarly men at the the lost time. In fact, there was centage of the population at school Nova Scotia than in in our own Province. as well as a slightly larger round numbers \$130,000, but when the expenses of the Normal school, and the Unireceity of New Branswick are added, the whole sum paid on account of education is \$162,500 as appears by the Public Account-In Nova Scotia the amount spent for this purpose is \$196,000 being somewhat smaller in pro portion to the popul tion than in New Brunswick. In both Provinces great progress is being male in the building of school houses, and in the in the raising of the grade of teachers. There is still cause for complaint that the low salaries paid prevent the choice of the teaching profession by ambitious and clever good. young people.

George Smith, Esq. A. B., of Inspectoral district, No. 2, com

prising Westmorland, with the ex ception of Shediac, and Albert County, report a marked improve-ment in the condition of the schools ment in the condition of the schools as compared with last year. New school houses have been built at singing politician, but a hard hitter against the Dominion Government; Elgin, Coverdale, Beech Hill (Sackville) and two in Alma. In preparing pupils for examination superior allowance much enthusiasm was shown. The number passed mentive, was 108 in two grades, out of a total Tom White is another of the The Death of Mr. Alex. T. Tait. number of 141 presented. Two Governme Teachers' Institutes were held, at Sackville, for Westmorland, and at Hopewell, for Albert. Mr. Smith has visited all the 201 school districts under his charge and has

by the lessening of the representation. The Poet was not without merit Tons of them are being matted by the lessening of the representation some where else in the Province. But the argument used against depriving a county of a member will be as strong then as now. What then will be done? Westmorland will probably have 50,000 people in en vers, while the other counties mentioned will have but little more

ban they now have. okes. The two Reform Bills of staobing was appropriately affected by Mr. White. England contradict such a foolish assumption. In 1832 no less than assumption. In 1832 no less than the company. His capacity in the concerning were distrarchised, not without remonstrance, however, for distray were advicates for the claims of these retten boloughs, though some of them had not three voters. And the arguments of Senator The word sold and most of the arguments of Senator The word sold and most of the other than they are willing to ten, and the concerning others, tell a great deal more than they manage to know. But it is on Dominion finances that Warning," drew roars of applause from the audience.

The word sold and most of the other than they are willing to ten, and the concerning others, tell a great deal more than they manage to know. But it is on Dominion finances that the Journal is greatest; as for instance when it says that last year the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning others, tell a great deal more than they are willing to ten, and the concerning of the same than they are will a great deal more than they are will a great deal more than they are will a great deal more t Wark would apply to a county of The worst solo and most of the other more from customs than ever he did Wark would apply to a county of three voters at well as to a county of several dozen voters, like Sanbury.

In the last Reform full of 1867,33 for the "Songs of Seven," Barnum's To send "Trade and Navigation Reports" to a paper like that is

has been a good natured one. Sir has been a good matured one. Sir has the fast refer a till of 1867, 33 has not the Premier to say that if the worst puns are the best, his stand high. When the P. E. I. claims to winter communication were being discussed, and Cape Tormentine branch was mentioned, he said, "Don't be tormentine us," which is certainly bad enough to be good.

Some laughter followed Mr. McKenzie's characterization of Sir Charles' answer to Mr. Cartwright:

"He quoted no hymn and he utered no psalm, Bat he opened his mouth and roughly Sir Charles' served dozen voters, like Sunbury. In the last Refora till of 1867, 33 to the form one continuences. So that it is clear that to take from over-represented countries to take from over-represented countries and give to those which are not large the which are not alleged request for the "Songs of Seven," Barnum's company whose number was precisely seven, gave "Mary Had a Little Lamb," amid much laughter. The whole performance was creditable and popular, and the proceeds, a handsome sum, will assist the young gentlemen in replenishing their library.

After the meeting President Inchinated the province shall be deprived of a member. And if it be fair for a province why not for a county! Of course it is fair as between us and other counties; and if the claim of Westmorland is not recognized in the re-adjustment now to take place, the County will have a just grievance.

Sir Charles is certainly no psalm.

griavance which not even the sentative can extenuat .
