## CROCKER IN CHARGE OF OLYMPIC TEAM

Y.M.C.A. Man Will Be General Manager of Canadians' Trip to Paris.

Toronto, Oct. 24.—Officers in charge of Canadian Olympic contestants in Paris next year were officially announced last night by P. J. Mulqueen, chairman of the Canadian Olympic Committee.

J. H. Crocker, of the Y. M. C. A., will be general manager of the trip, with Captain Cornelius, of Hamilton, chief coach of the track and field athletes and W. A. Hewitt in charge of the Canadian hockey team, champions of Canada, which will be known as the Canadian Hockey Club. Dr. Lamb, physical director of McGill University, Montreal, and J. I. Morkin, of Winnipeg, former president of the Manitoba Amateur Athletic Association, will be associate coaches to act in advisory capacity.

Captain Cornelius' appointment as coach of the track and field men follows success in that capacity in Hamilton, where he handled the Hamilton C. I. athletes who are winning in practically every athletic meet they compete in. I. Francis, who recently broke the Canadian pole vault record, and who is expected to represent Canada in Paris, is one of his students. Dr. Lamb and J. I. Morkin will assist in the choosing of the Canadian team and the training of it, but are not expected to make the journey to the games.

The Olympic trials will be held in Montreal in June 30 as the contestants in the games in Paris can continue on their journey without delay. It is understood that only athletes showing performances capable of winning points in Paris will be sent, irrespective of whether they are winners at the Montreal trials or not.

Mr. Mulqueen stated in making the announcement that the officials had been selected and agreed upon as representative of all Canada.

## The Eye Glass Man

[By W. H. Gocher]

Samuel Follenby, of Berlin, N. H., supplied material for several pages in Walter R. Cox's manuscript history of racing in the Suncook Valley and the fringe of hills which surrounded it. During the off season Follenby travelled the hills selling eyeglasses. When equipped for business Follenby wore a white stovepipe hat with a wide black band, a Prince Albert coat, gray breeches, a red vest that would have started a bull fight anywhere except in New Hampshire, and a bright blue tie adorned with a horse shoe large enough to plate one of the ponies in Ringling's show.

On race days Follenby either sold pools or handed out long shot information which made those who played it feel before the race that they would soon have bank accounts.

In Follenby's day there was always a fourth of July meeting at Canaan. At one of them Samuel was busy in the pool box, while Walter R. Cox put in the morning trying to figure out how he could make a dollar with Antirio Boy.

Johnny Marston had very unexpectedly dropped into town with a pacer that looked to have the edge on the gray gelding. Also as it was early in the season, neither Cox nor Marston were very anxious to kill off their mounts in a hard race.

Before the selling started Follenby was busy looking for a little advance news. He hoped to have a few tickets on the winner as well as his commission to pay for the day's work. Samuel approached Cox. The pair disappeared in a box stall and shut the door. While in the twilight Cox slipped the eyeglass man \$50 with instructions to get it on Antirio Boy before the race started.

Antirio Boy won the first heat. As soon as it was announced Cox looked up Follenby and asked him for his pool tickets. That worthy told him all he could get for him were two five dollar tickets. They were handed to Walter with \$40 in change.

Marston's horse won the next three heats. The finish in all of them was close but never in doubt. While a Mackwoods follower of the Cox outfit was absent cashing the tickets on Marston's horse, Walter listened to Samuel Follenby, wait over what he lost by snubbing at the bait Cox set for him with Antirio Boy. For the next six months the cost of eyeglasses in New Hampshire were advanced one hundred per cent.

## BATHURST LOST TO HARKINS ACADEMY

Newcastle, Oct. 23.—The football game on the Newcastle playing field gridiron on Saturday afternoon between Harkins Academy and Bathurst resulted in a score of 15 to 0 in favor of the home team. The game was in Newcastle's favor fully two-thirds of the time, due to effective work of the scrum. The game was refereed by Chas. Morris to the satisfaction of both sides. One of the events of the game was a spectacular tackle between Anderson, of Newcastle, and Payne, of Bathurst, which took place within five yards of the Newcastle touch line, no other players being within 20 yards of the two.

The line-up:  
Newcastle: Forwards—Mike Kingston, G. MacTavish, A. Peters, R. Allison, R. Harris, Barry Young, and W. Taylor; quarters—Jack Keating (captain), Dickson Ashford, Harry Robertson; fullback—Richard Anderson; spares—John Brander, Freeman Matheson, Beverly Sproul.

Bathurst: Forwards—Freeman Eddy, Roland Hills, Anthony Melanson, Ernest Chamberlain, Ralph Chalmers, Carl Hills (captain), Hubert Payne; quarters—Lawrence Anderson, Napoleon Hache, Gordon Fournier; halves—Clifford Kayne, Chester Hinton, John Kayne, Kenneth White (mgr.); fullback—Clinton Gammon; spares—Dorion Doucet.

Roger Bresnahan, according to reports, has been a dismal failure as a manager and magnate at Toledo and will not be found at the helm there next season.

## JIMMY BURKE HAS LEFT THE RED SOX

New Assistant Manager for Boston American League Club to Be Named.

Boston, Mass., Oct. 24.—Unconditional release of Jimmy Burke, who has been assistant manager of the Boston Red Sox, is announced by President Quinn in connection with the engagement of Lee Fohl, late of the St. Louis Browns, as manager.

Burke was formerly with the Browns and also with the Tigers and some years ago was a well known player. Who will succeed Burke and become Fohl's chief lieutenant, is not yet stated.

## New Job for Chance and Burke.

New York, Oct. 24.—The Boston Red Sox, tail enders this season have furnished candidates to fill two managerial vacancies in the American League, Chicago and Washington, and one prospective vacancy in the National League at Boston.

The candidates are Frank Chance and Jimmy Burke, manager and coach respectively, of the Red Sox this season, who have been displaced by Lee Fohl, former St. Louis pilot, under the new Boston ownership. The post which Fohl left at St. Louis and which Jimmy Austin has been filling temporarily will be occupied by George Sien, next season, but as yet the White Sox and Senators have signed no leaders.

Chance, who himself admits having two big league offers under consideration has been mentioned particularly for the Washington job vacated by Donie Bush, but his name also has been coupled with the Chicago berth, where Kid Gleason resigned in disapproval of his club's showing. Eddie Collins, Harry Hooper and Ed Walsh also loom as possible successors to Gleason. And now that Burke, who formerly was at the helm for the Red Sox, has been released, he, too, may be in line for either post.

## BUSH'S RELEASE NOT EXPLAINED

Washington, Oct. 23.—Clark Griffith, president of the Washington American League Baseball Club, refuses steadfastly to satisfy the curiosity of Washington fans as to why Owen ("Donnie") Bush, who piloted the club to a first division berth this year, has been released as manager. It will be the fourth successive year in which the manager of the club has changed hands.

Griffith, who says he has no one in mind as Bush's successor, has answered all inquiries as to the subject of his severance of relations with the

## NEW ZEALAND RUGBY TEAM FOR ENGLAND

Antipodeans Will Play Twenty Five Matches in British Isles Next Year.

[Canadian Press by Leased Wire] London, Eng., Oct. 24.—The United Kingdom will next year entertain another rugby football team from New Zealand, the Antipodean Dominion having come to an agreement with the Rugby Union, the body which controls the amateur fifteen-men game in the Old Country. Twenty-five players will travel from New Zealand and the team will play in all twenty-five matches against teams of the British Isles. The tour will end not later than Dec. 31, 1924.

Tours of the United Kingdom by teams representing the Dominion began in 1901-2 when a Canadian fifteen made the trip and met with some measure of success. Canada thus initiated a form of Empire sport which has since been imitated by New Zealand, South Africa and Australia. The New Zealanders followed the Canadians in the season of 1905, their tour meeting with unprecedented success. In all their games the "All Blacks" were defeated only once, by Wales.

During the 1906 football year, the Antipodeans were followed by a South African fifteen, the "Springboks," and they duplicated the efforts of the "All Blacks." A remarkable commentary on Imperial relationship was found at that time in the fact that the "Springbok" team contained several players who, only five years before, had been in arms against the British during the Boer war, while one of their most brilliant men was a nephew of General Joubert.

An Australian team came next, but since the Australians were professional, their games were confined to the Northern Union, who have since returned the visit. Shortly after the first Australian tour, the Northern Union teams changed their form of play to that of the Australians, discarding the fifteen-man game and adopting the thirteen-man system of play.

club with the statement that he will have nothing to say as to the reason for it.

## Reds May Go to Havana.

Cincinnati, Oct. 23.—August Herrmann, president of the Cincinnati Nationals, will probably go to Havana about February 15th, and will, if practicable, make arrangements for at least one game between the Reds and whatever club wins the Cuban championship. He is going to a story published in the Cincinnati Times-Star today.

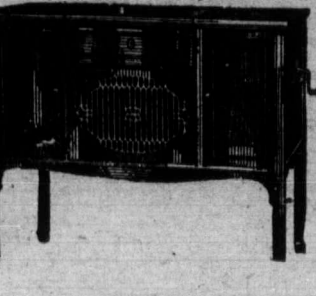

The Reds again train at Orlando, Fla., next spring, and if satisfactory arrangements can be completed they will go from the Florida city to Havana.

To Play in Cuban League.  
Louisville, Oct. 23.—Merito Acosta's all-star American Association baseball team that he has engaged to pastime under his generalship in Cuba during the winter was assembling today for his trip to join Acosta in Havana. Acosta is an outfielder for the Louisville American Association club, last year his team won the championship of the island.

Among those expected to play on the team are: Knicker, Pettit and Brown of Indianapolis; McNulty and Cooney of Milwaukee; Palmer of Columbus, Berghammer of St. Paul, East of Minneapolis, De Berry and Tincup of Louisville, and one or two members of the Kansas City club who, it was said, will report after their series with Baltimore of the International League.
