Marked by close checking, speedy rushes and fine individual and combination work, the game was easily the best witnessed here this year. The ice was in perfect order, and Referee Wettlaufer kept the players well in hand, only penalizing for minor offences. The team work of the Dutchmen was excellent and the forward line well fed by the defence played a speedy hardchecking and good combination game, taking every chance for a shot at the nets, The locals worked hard and checked close, but individualism marked their play, and to some extern marred its effectiveness Gross and Cochrane played the star games for the visitors, while Richardson, Lalonde and McHardy were in the spot light for the locals. Berlin worked the defence hard in the first half, and notched five, while the locals, securing only occasional shots, failed to tally. In the second the puck hit the nets for each team. The line-up:
