CONVENTION OF BROTHERHOOD

Excellent Meetings in Gospel Tabernacle Yesterday.
Organization is Growing and Has Great Possibilities.
Excellent Addresses Given at the Evening Meeting.

The Brotherhood of Andrew and Philip held its fourth annual convention yesterday in Gospel Tabernacle. Delegates arrived from Toronto, London, St. Catharines and other points, to the number of 60. After the examination and approval of credentials the business session opened at 2.30, with the President, Mr. W. J. C. McCrear, of Toronto, in the chair. Pastor Philippott, who is chaplain of the order, gave the delegates a hearty welcome on behalf of the Hamilton chapters.

After the minutes of the last convention were read and adopted, the president, in his annual address, suggested that extension work should be undertaken throughout the country and that funds should be raised to meet this object. He also thanked the members for their co-operation during the past year. The secretary's report showed a gratifying increase throughout the country, presenting the work to the churches. The Treasurer's report also showed a considerable increase, financially, with a balance in hand of officers then took place, resulting as follows: President—W. J. C. McCrear, Toronto. First Vice-President—F. Chorley, Hamilton. Second Vice-President—Rev. A. J. Bowen, London. Third Vice-President—J. A. Mirris, Toronto. Chaplain—Rev. J. M. Copeland, St. Catharines. Treasurer—John Rodgers, Hamilton. Secretary—Silas A. McFadden, Toronto.

Under the heading of new business, a proposal to raise \$1,000 for extension work was referred to the individual members, to be reported on. After the business meeting the ladies of Gospel Tabernacle served tea in the school room. They provided a splendid repast, the best of home-made delicacies being provided. The tables were decorated with flowers, and after tea half an hour was devoted to five minute addresses by representatives of the different chapters. A hearty vote of thanks was tendered the ladies.

The evening session opened at 7.30 and was, without doubt, the best in the history of the Canadian Council. The church was occupied by President McCrear. On the platform with him were Rev. Alexander Eiler, of Cooke's Church, Toronto; Rev. F. W. Hollinrake, of Zion Tabernacle; Rev. P. W. Phipps, Rev. Charles McFadden, Rev. J. C. Copeland, St. Catharines; and Rev. Alexander Gibson, Hamilton. The ladies were struck with inspiring addresses by the delegates and Mr. Bowler, of Hamilton, sang two solos splendidly. The hymn "The Eye is the Window" was sung.

portance to the spiritual. When a man got God in his soul he then got a true perspective of life, Mr. Hollinrake said. He outlined what the mission of life should be. Rev. Alexander Eiler was the chief speaker of the evening, his subject being "The Brotherhood." He spoke of the great possibilities which lie before it. He had been in touch with the work in other places and had found the men engaged in it to be the ministers' right hand men. The mission of the Brotherhood was not self-propagation; not to increase membership; not to develop fraternalism; not philanthropy; not temperance; not political work, but the great chief aim and end was the winning of men for Christ, one by one. The reports presented at the convention showed: Chapters in Canada, 22; members, 790; amount contributed, \$900.

LED DOUBLE LIFF.

Boston, Oct. 31.—That fear of exposure of the dual life he was leading caused the suicide of Dr. Albert Cushman Day, of Brookline, N. Y., this afternoon. He was shot in the woods at West Roxbury, Friday, two days after his clandestine marriage to Miss Estelle Auld Callahan, of Edgewood, R. I., a trained nurse, was made certain to-night by the discovery that the young doctor had already a wife who was about to bring proceedings against him upon the announcement of his illicit nuptials.

It was learned that Dr. Day was married on March 18, 1894, at Brookline, by a justice of the peace, to Miss Marjorie Thompson, 18 years old, a daughter of William A. Thompson, of West Roxbury, where Dr. Day made his home. The marriage was kept secret, and Dr. Day stated he wished to complete his medical course and hospital work before having his marriage made known to his family.

SOLD HIS SOUL.

SCIENCE BROUGHT TO BEAR ON STRANGE INSANITY CASE.

A Hungarian Shopkeeper Sold His Chance of Salvation and Became Insane—Recovered When It Was Brought Back.

Vienna, Oct. 31.—A remarkable case in which the effects of mediæval superstition and suggestion are curiously mingled has come under the notice of the doctors of the Rudolf's Hospital in Vienna.

A Hungarian tradesman named Weiss was recently admitted to the hospital suffering from an illusion which caused him continually to lament the loss of his salvation. It appears that some weeks before Weiss was sitting with friends in a coffee-house in Pressburg, when the conversation turned on religion as a future life.

Weiss declared that there was no such thing as a future life or salvation, and added: "I would sell my chance of salvation for 10s."

A Jew named Kraus accepted the offer on condition that the transaction was put in writing. A regular deed of sale conveying Weiss' salvation in the next world to Kraus was thereupon drawn up, executed by Weiss and duly witnessed. Kraus took the deed and handed over the 10s to Weiss, who boasted that it had been easily earned.

A fortnight later Weiss lost his wife, who was killed in a carriage accident. He regarded this accident as a sign of the Divine anger with his impious bargain, and the idea so preyed on his mind that his reason gave way and he was taken to the hospital.

Professor Obermayer, who had charge of the case, on hearing this story from the man's relatives, decided to try the effects of counter-suggestion, and advised Weiss' relatives to recover the deed of sale.

Kraus, however, declared that since he had bought the other man's salvation his own business had prospered exceedingly, and he refused to give it up under £40. Weiss was unable to pay this, but finally the chief rabbi of Pressburg, to whom the matter had been reported, induced Kraus to hand the deed back to the sick man on receipt of £20.

The effect was most marked. Weiss, reassured as to the fate of his soul, immediately improved. A new deed was drawn up, in which Kraus solemnly reconveyed the other man's salvation to him. This was witnessed by two doctors and Weiss has now been discharged cured.

THE HORROR AT KARATAGH.

RELIEF EXPEDITION HELD BACK BY TANGLES OF RED TAPE.

Non-Interference Policy Prevents Sending of Assistance to Karatagh.

St. Petersburg, Oct. 31.—No further information has been received here regarding the disaster at Karatagh, in the province of Bokhara, which was almost completely destroyed by a landslide following the earthquake of October 21, resulting in the majority of the inhabitants losing their lives. A despatch from Tashkent to-day says that the total population did not exceed 5,000 as a rule, though the number of inhabitants was somewhat larger in the summer, in which district of Bokhara the stricken town is situated.

The Russian Government is taking no steps to send a relief expedition to Karatagh. To do so would be contrary to the Russian policy of non-interference in the internal affairs of Bokhara, and it would involve a journey of over five hundred miles through the mountains, from the nearest Russian point. It is not known here what steps the Bokharan Government is taking to send relief, but it would appear to be acting with the usual and characteristic Asiatic fatalism and procrastination. Newspaper correspondents at Samarqand, Tashkent, Bokhara and Kokhand have not been able to supply further details of the disaster.
