Vol. II

MONTREAL, MONDAY MORNING, MAY 16, 1836.

No. 4.

Optimus est Republica status, ubi nihil deest nisi licentia periculi.—SENeca.

It being drawn from the Colony, must be considered as so much loss. Those who...

A new Steamboat named the Catalpa... belonging to the Ottawa & Rideau Canal...

increase upon those of the same year in 1835... of \$28,401. Increase on the financial year...

the destruction of this Bill by the Lords. For to what would such a result be tantamount?

Similar variations of the weather have been... observed in Europe. Wheat, autumn...

The total destruction of the 1800 Mexicans... is a matter of which we are glad to hear...

The suggestion it contains will, we hope... be unerringly kept in view, and which...

The following observations from the King... are of a nature which will be generally...
