perhaps an error of judgment. The dewas put, when only Messrs. McCarthy Speaker declared the amendment nega-

he could not support the government's government. He held it was contrary to British practice and precedent. Sir C. H. Tupper regretted Sir Richard Cartwright had not given notice of his intention to bring this matter up, as politically. Of course if it became ne retire from the ministry. At present, however, nothing had occurred to justify his retirement now. The discussion was continued at great length, Messrs. Mills, Davin, McCarthy and other memwas a particular question which had red so far to necessitate Mr. Wallace's

state, and if any injustice was done the they would have to adjourn those mat-

and Clark Wallace, Dr. Weldon, and several others, against remedial legistion, and by Messrs. Masson and Cos sparse attendance and almost at the tigan in favor of the Government's outset a division took place. It was on tigan in favor of the Government's course. Mr. Laurier announced that he would vote against McCarthy's mction, as he did not desire the two parties to be divided into Catholic and Protestant. At 240 a.m. the qu stion fringed on provincial rights and the Hudson Bay railway bill, which was and O'Brien rose to ask for a division. Challenged the sense of the nouse and division resulted on the second reading a resolution. It was vigorously debated being carried by 50 to 24. Mr. Prior on and ruthlessly altered, notwithstanding the motion to go into committee of the absence of the automatic eloquence ways and means, brought up the quest of Sir Richard Cartwright, who headed On Thorsday Sir Richard Cartwright tion of British Columbia representation in the cabinet. He made a strong night before. The third reading of the secure grounds very nicely situated for night before. The third reading of the their tea on August 7th. See their ad. in call attention to Controller Wallace. In speech in support of his contention. In bill having been moved in the afternoon. view of the Controller's statement that his opinion the principle of appointing Mr. Mills (Bothwell), raised the objection a man to a seat in the cabinet because that the bill should have been introduced policy on the school question, in his he happened to be a French Canadian, cy petition, as required in all cases of policy on the school question, in his (Cartwright's) opinion the controller an Irish Catholic or an Orangeman was private bills. Sir Charles Hubbert (Cartwright's) opinion the controller could not consistently remain in the ideal cabinet, drawn from all parts of provided for a re-arrangement of subsidies the Dominion, irrespective of local and was thus a measure which a private claims, and solely on account of his fitness could not be realized in our day. argued that the bill authorized the com-He admitted that Mr. Prior had made pany to utilize another route than that then it would have afforded time for an out a good case and hoped the day was provided in the original act. In this way examination of precedents. In his not far distant when the wishes of the rights of the bond holders would be judgment ample authority could be had to justify the controller in his course the Reitish Columbia in this respect might to justify the controller in his course the Reitish Columbia for the proposal to pass the bill as it the British Columbia members if they stood, but after a long debate the speaker cessary to introduce remedial legisla- desired to secure their object the best ruled that the objection to the change tion then Controller Wallace would thing they could do was to make a uni. of location as constituting the bill either have to support and vote for it or ted kick. He convulsed the house by private measure, was well taken. As this auggesting that instead of looking for was dealt with in the third clause, the cabinet representation they should seek offending section was dropped and the bill,

duced a motion cencuring the govern- in the commons. Then after some talk ment for renting the building at St. Lin on the Portage la Prairie post office site at \$300 per year for the purposes of a the house adjourned until Monday mornpointed out that Mr. Wallace was quite in harmony with the government on its general policy. a controllership. Mr. Lavergne intro- as amended, passed through its final stage

ate to obstruct the passage of the Hudson Bay railway bill, which in emasulated form reached the upper house from the commons early in the afternoon. Sir Mackenthe trouble was begun by Senator McInnes (Hamilton) moving the three months' hoist. In vain the premier protested that location had been eliminated in the Commons. "Is it not a fact," said Senator men who would enter into a bargain of that kind themselves who would accuse on gentlemen of such conduct. Hon. Smith-The government is not made of the material that the hon gentleman insinuates- If he knows a little about it he had better take care. I said it was Davison 100, and various other parties are rumoured outside. Hon. Bowell-Rumor says that the hon. gentleman is paid for what he is doing here. Mr. Scott-It is not true. Hon. Bowell-It is just as true as the other statement, and it is a piece of audacity for him to make such accusations against men who are more honorable than he is himself. The discussion went on thus for some time. It was evident the senate's blood was up, and though the as the low fares should ensure in immense guard of honour was under arms on the and prorogue parliament, the senators will surely come to state canclusion they were determined to fight out the bill to the bitter end, At six o'clock it was announced that there would be no prorogation till the fate of the bill was decided, and the guards and the crowd went home. The senate held an evening sitting, when mutual apoligies were exchanged between the leaders. The three months' hoist was

defeated by 11 to seven and the bill passed.

GOOD HEALTH GOOD HEALTH

And a good appetite go hand in hand. With the loss of appetite, the system cannot long sustain itself. Thus the fortifications of good health are broken down and the system is liable to attacks of disease. It is in such cases that the medicinal powers of Hood's Sarsaparilla are clearly shown. Thousands who have taken Hood's Sarsaparilla testify to its great merit as a purifier of the blood, its powers to restore and sharpen the appetite and promote a healthy action of the digestive organs. Thus it is, not what we say but what Hood's Sarsaparilla does that tells the story and constitutes the strongest recommendation that can be urged for any medicine. Why not take Hood's Sarsaparilla now? Everyone can't get these

THE Steamship Orinocq, with about ninety tourists on board, arrived here on Saturday afternoon last. She was accompanied by the United States steam yacht Black Cashmere 'Vesta," with another party of tourists. The Orinoco is an immense steamer owned in New York. During the present eason she has touched at Boston, Bar Harbor, Portland, St. John, Yarmouth Black Cashmere in the city. Acand Halifax. From here she went to Dalhousie. Thence she goes to Gaspe and Saguenay, and from there to Quebec.

MISS CLARA LOUISE POWER had the listinction of being the only woman among the sixty-four successful candidates who were sworn in members of the Suffolk County bar in Boston, a few days ago. One hundred and three candidates for admission stood for examination in April last. Miss Power is a graduate of the Boston University Law School, and has been employed in the Suffolk County Probate office for several years. She come of a well-known Catholic family.

SIR TERENCE O'BRIEN, Governor Newfoundland, will take his departure on Saturday next, after an eventful admini tration of six years. During his term the colony. First, there was a revival of the French shore difficulty! next came the fire of 1892, which wiped out about one half the city of St, John's; then the elec? tion petitions, and the subsequent political revolution and restoration. Finally there was the general financial and commorash of December last.

ABOUT eleven o'clock Monday foreno horse driven by Mr. Patrick Duffy, of Lot 48, took fright and ran away on Water Street, near the railway buildinge. The runaway team came in collision with a team coming from the opposite direction and Mr. Duffy was thrown out and knocked insensible. He was picked up and Men's Braces, carried into one of the railway buildings and Dr. S. R. Jenkins was called in. An examination showed that Mr. Duffy's Men's heavy Gingshoulder blade was broken. The horse ran down the railway wharf and jumped over into the dock. He was rescued by Neckties, some of the men after considerable trouble.

On Thursday afternoon last, John Mc-Millan, sr., of Brackley Point, Road met Gloves, with a serious accident. He is about 78 Lace Curtains, years of age; but before the accident was Roller Toweling quite energetic. It looked like rain, and he went to the field with his son and a healthy weight and may thereby servant man to finish the hay-making on a farm about half a mile from the home-Persons have been known to stead. Having finished the work in the gain a pound a day by taking field, he started home on one of the loads, and when driving out of the field on to an ownce a day of Scott's Emulthe main road, he was pitched from the truck and landed on his head. He was sion. This seems extraordinary; taken home in a dazed condition and has not since gained the use of his limbs He is under medical care.
