GUNS AND RIFLES.

"I spoiled that little cupboard," said Ted them on the shelf," he replied.

The victim had opened the wrong house and laid his views on the public shed.

A Kentucky thief lately sent a man for two years to the penitentiary for killing another, refused a second call for four years in the same place for another killing.

A laundry bill for some very weak starched linen for a gentleman the other day was marked by one of the blunders it often couldn't save that chicken to wade through this filthy rice pond."

A large number of arrests have been made among the disaffected negroes of Georgia, who threatened an uprising [illegible]. A telegram from Augusta, Ga., last week says:—Several of the prisoners connected with the iron-clad oath below Sparta, have made confessions. Jake Moorman, 1st lieutenant of 40 negro company testifies that fifteen counties were to be embraced in the insurrections. Last Friday was appointed for the uprising. All the white men and ugly child women were to be killed, pretty white women were to be spared, and land and spoils were to be divided among the negroes. All who have so far confessed, testify that the same as Jake Moore-

[illegible] arrived here this afternoon from Waynesboro'. He is determined to preserve peace, enforce law, and do justice to the whites and blacks."

Advices from thirteen counties in different parts of Wisconsin, show that there was some frost on Saturday morning, (22nd Aug.), and a heavy frost on Monday morning. Corn suffered great damage, and the report comes from some places that three quarters of it is killed. Tobacco, of which there is a large acreage in Rock and Jefferson counties, is totally destroyed. Hops, buckwheat, potatoes and all vines in low land are badly injured.

SCIENTIFIC ITEMS.—A writer in Putnam's Magazine says: "It is a curious fact that there is never a white colt nor a black calf. The whitest horse was blackest in its birth, and the jet blackest cow was unmixed red." Whether this is correct or not, we cannot positively say; but this we do believe that the best medicine for removing pain from the system is the "Canadian Pain Destroyer." In cases of rheumatism, sprains, bruises or severe colds and summer complaints, it stands unequalled. Price 25 cents per bottle.

What They Say of It

Notices from the People.

There are but few preparations of medicine which have withstood the unpurchased judgment of the people for any great length of time. One of these is Dr. Thomas' Eclectric Oil. Read the following and be convinced:—Dunlap, Ill'ness, Farnham Canter, P. Q., writes, "I have been afflicted with rheumatism for the last six years, and have tried many remedies without any relief, until I tried D. Thomas' Eclectric Oil, and since then have had no attack of it. I would recommend it to all."—J. H. Earl, Hotel Keeper, West Shefford, P. Q., writes, "I have been troubled with liver complaint for several years and have tried different medicines with little or no benefit until I tried D. Thomas' Eclectric Oil, which gave me immediate relief, and I would say that I have used it since with the best effect. I do not doubt to sell it. I have tried it on my horses in cases of cuts, wounds, &c., and think it is equally as good for horses as for man."—S. Hayhoe, Wrexham, Warwick, writes, "I have sold some hundreds of bottles of Eclectric Oil, and it is pronounced by the public one of the best medicines they have ever used. It has done wonders in healing and relieving pain, sore throats, etc., and is worthy of the premium so freely awarded to it at the Provincial Exhibition."—Joseph H. Wales, Tow ship Peter, writes, "I was persuaded to try Thomas' Eclectric Oil for a lame knee which troubled me for three or four years, and I never found anything like it for curing lameness. It is a great public benefit."—A. M. Hamilton, Markworth, writes, "For weeks I was troubled with a swelled ankle, which annoyed me very much. My boss of this place induced me to try Eclectric Oil, and before one bottle was used I was well. It is a most remarkable medicine."

Sold by all medicine dealers. Price 25 cts.

DR. WHEELER'S ELIXIR OF PHOSPHATES and Calisaya—After having used your Compound Elixir of Phosphates and Calisaya for over two years in my daily practice, I must give it my unqualified approbation. During a practice of over twenty years I have used many scientifically prepared compounds, made to fulfil the same therapeutical indications as your elixir, but none of them proved with me as valuable as yours. To the medical profession, and to the public, I would especially recommend it as the best remedy with which I am acquainted for the successful treatment of the large and constantly increasing class of cases of over-worked and nerve exhausted women.

Beware of Counterfeits.

For the protection of the Public of British North America, I deem it my duty to state that my Pills and Ointment are neither manufactured nor sold in any part of the United States.

Each Pot and Box bears the *British Government Stamp*, with the words, "Holloway's Pills and Ointment, London," engraved thereon. On the label is the address, 533, Oxford Street, London.

This notice has become necessary, in consequence of vile and spurious imitations of 'Holloway's Pills and Ointment,' being fabricated at 78, Maiden Lane, New York, by parties styling themselves "Holloway & Co.," with an assumed trade mark, thus—

Unprincipled vendors can obtain this trash at a very low price, and so deceive you by selling the same for my genuine Holloway's Pills and ointment, which are manufactured only at 533 Oxford Street, London.

Persons who may be so deceived will be pleased to communicate with me.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Evans, Mercer & Co., Montreal.
Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. B. Barker & Sons, St. John, N. B.
Apothecaries' Hall Co., Charlotte Town.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Pallen, Chatham, N. B.
Messrs. Munro & Co., Montreal.
Messrs. J. Winer & Co., Hamilton, Ont.
Mr. H. J. Rose, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Bond, Goderich, Ont.
Messrs. Elliot & Co., Toronto
Mr. J. Chaloner, St. John, N. B.
Messrs. Hanington Bros., St. John, N. B.
Mr. R. S. Priddy, Windsor, Ont.
Mrs. Orpen, Morden, N. S.
Mr. George C. Hunt, Jun., Fredericton, N. B.
Mr. W. H. Thompson, Harbor Grace, N. F.
Mr. J. M. Wiley, Fredericton, N. B.
Messrs. W. & D. Yuile, Montreal.
Chas. I. Davies, Fredericton, N. B.

The medicines are sold at the lowest wholesale prices, in quantities of not less than £20 worth—viz., 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here—

INSTRUMENT TO IMITATE THE HUMAN VOICE.—A curious invention is reported from Cologne, where, at the last of the admirable popular lectures, which have formed so marked a feature in this spring's programme for the instruction of the masses in the Rhenish capital, an instrument was shown by the lecturer, Professor Amburg, which is able to imitate the human voice. By this ingenious invention, to which the ambitious name *vox humana* has been given, all the vowel sounds and the labials can be rendered with perfect clearness and accuracy; it also gives some of the gutturals, but as yet the instrument has not succeeded in rendering the hissing or the deeper laryngeal sounds.

On using the first bottle my complaint was better, and before the fourth was finished I was completely cured.

Iron in the Blood

PERUVIAN SYRUP AN IRON TONIC

MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protected Solution of the Protoxide of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damages and waste, searching out morbid secretions, and leaving nothing for disease to feed upon.

This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhœa, Boils, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, *and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcoholic Stimulants in any form, its energizing effects are not followed by corresponding reaction, but are permanent, infusing strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.*

Thousands have been changed by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

See that each bottle has PERUVIAN SYRUP *blown in the glass.*
