Danderine

Stops Falling Hair and

Destroys Dandruff

Makes the Hair Grow Long, Heavy and Luxuriant and We Can

Quickly Prove It

If You Wish to Double the Beauty of

Surely try a Danderine Hair Cleanse if you wish te immediately double the beauty of your hair with little trouble and at a cost not worth mentioning— just moisten a cloth with a little Danderine and

just moisten a ciorn with a little Danderme and draw it carefully through your hair, taking one small strand at a time, this will cleanse the hair of dust, dirt or any excessive oil—In a few moments you will be amazed. Your hair will be wavy, fuffy and abundant and possess an incomparable

sofiness, lustre and luxuriance, the beauty and shimmer of true hair health.

Resides beautifying the hair, one application of Danderine dissolves every particle of Dandruff; cleanses, purifies and invigorates the scalp, forever apping itching and falling hair.

Danderine is to the hair what fresh showers of

Danderine is to the hair what itesh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. It's exhilarating, stimulating and life-producing proper-ties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling bril-liancy and velvety softness to the hair, and a few make use will cause new hair to prout all operations.

weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after

which two or three times a week will be sufficient

You can surely have pretty, soft, lustrous hair, and lots of it, if you will just get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it as directed.

to complete whatever growth you desire.
