Smyth's Men's Wear

Men do not wear our label on the outside, but somehow or another you can tell that it's there. A label that speaks as plainly as that—and always says the right thing—is worth having.

The Men of Roumania

are very fond of dress, and they have a popular saying which runs, "the stomach has no mirror." Its meaning is that rather than be shabby a Roumanian should go hungry. The peasant costume of Roumania is very artistic, every village having its own set of colors. By the hue of his dress a peasant shows the locality he hails from. The Roumanian is most particular regarding his personal appearance, like thousands of people who patronize our Dry Cleaning establishment.
