**Grand Opportunity
 For Farmers and
 Horse Owners.**
 Owing to the wastages of
 scarcity in the horse supply is in
 prospect for years to come.
 The farmer was never presented
 with a better chance for turning
 mares to good account, alike to
 self and to the country.
 There is little outlay until the
 mare is weaned. The mare can continue
 to do her allotted share on the land
 for many years the demand for
 animal servicable either for draft
 or carriage purposes will be greater
 than ever.
 For the embodiment of quality
 substance the horse breeder is re-
 ferred to the Imported English
 Stallion
