HAVE SOME!

An irresistible invitation when the dish contains

APOLLO CHOCOLATES.

You don't know how really delicious candy can be unless you have tasted these famous Apollo Chocolates.

They come in an extended variety of packages, containing delicately flavored Creams, Nuts, Jellies and other exquisite centres.

They are always fresh and uniform in goodness.

Will gladly show you the various packages.

When you say "Have some chocolates" it means much more when they're Apollos.

TORIC LENSES

ARE MORE BECOMING THAN FLAT LENSES.

The edges of Toric Lenses do not show as prominently as those of flat lenses. They fit in close to your eyes. You will find Torics much more becoming and useful. They give you a wider, clearer field vision. You should know about Toric Lenses. Let us explain them.
