Halifax, Feb. 10th, 1872. Mr James I. Fellows, Dear Sir: In order that some other sufferer may be benefited, you are at liberty to give this letter publicity. In the winter of 1869 I was taken ill with disease of the heart, accompanied by violent palpitation, and from that time gradually became weaker, notwithstanding continued professional attendance up to a few weeks ago, when your Compound Syrup of Hypophosphites was recommended to me. The use of it during a very short time enabled me to resume my usual work, and now I am as well, fat and hearty as I could wish to be. Yours very truly, W. FRANK COCHRAN.

VERY HARD TO KILL.—That people survived the depleting lancet, the drastic purge, and the terrible salivants of 50 years ago, is proof that they are hard to kill. The motto of modern medical science is "PRESERVE AND REGULATE, NOT DESTROY," and no remedy of our day is so entirely in harmony with this philanthropic as Dr. DEPEW'S MEDICAL VICTORY. In this powerful yet harmless vegetable, mineral, and chemical, bilious complaints, and all diseases of the stomach, liver, bowels and nerves, encounter an irresistible antidote.

NO intelligent mind can fail to observe how the various and ever-varying wants of the community are attended to by the surprising mechanism of Mr. Horsman's Establishment, so noted for many years as the Emporium of everything in his line of business, it is somewhat astonishing to take a comprehensive view of the variety of his stock. Guns, Pistols, Ammunition, Fishing Tackle, Hooks, Baiting and Fishing Gear, Hats, Ivory Table Cutlery, Plated Ware, Bird Cages, Flower Baskets, Smoothing Irons, Tea Trays, Wringers, Mangles, Lamps, Mechanics' tools. Besides the great assortment of Farming Implements, Scythes, Saws, Rakes, Forks, Hoes, Building and General Shell and Heavy Hardware, Oils, Paints, Colors, Varnishes. One gets from this a slight idea of what it is to carry on with enterprising spirit a large Wholesale & Retail Hardware Establishment. Every want for House, Farm, Trade or Manufacture can be supplied Wholesale and retail at Mr. Horsman's. See advertisement.

A Chemical Food and Nutritive Tonic.

Without Phosphorus no thought, say the Germans, and they might add, no action, since Phosphorus and the Compounds are known to be the motive power of the nervous and muscular system. They constitute more than half the material of the human body, being found in every tissue, and their presence is absolutely essential to nutrition, as they promote the conversion of albumen in the food into fibrin, which is the vitalizing agent of pure, healthy blood. They are now coming into universal use in Europe and America in the treatment of Scrophulous, Consumptive and Venereal diseases, which are caused by impoverished or poisoned blood; and in diseases of women suffering from irregularities of menstruation and exhausting discharges, in pale, puny children, and that condition of nervous and physical prostration resulting from bad habits, excessive use of stimulants and tobacco, and all that train of evils known as fast life. The great reliability and promptness in its effects in immediately and permanently restoring the deranged constitution, has made DR. WHELETT'S COMPOUND ELIXIR OF PHOSPHATES AND LIME, the great favorite with the Physicians and Public at all points.
