CHAMBERLAIN'S
TABLETS

What will you do for these?

MAGNIFICENT soldiers and sailors from every part of the
British Empire are laying down their lives for you and
yours. Perhaps some of your own blood are amongst them.

An urgent appeal has gone forth from the Marquis of Lansdowne, Presi-
dent of the British Red Cross, for funds, to provide medicines, appliances,
comforts, and hospital equipment of all kinds to alleviate the sufferings
from wounds and sickness of sailors and soldiers from all parts of the Em-
pire. This appeal is endorsed by their Majesties, the King and Queen, and
every British possession is setting aside, by official proclamation

"Our Day" For Sailors and Soldiers Oct. 21

as a day of public giving to aid in this splendid cause,
which stands in severe need of assistance owing to
the tremendous demands upon Red Cross work.

Ontario's Quota is set at \$500,000

We can and will raise this amount as a token that Ontario feels for our
wounded heroes and will not see them languish in their pain and suffer-
ing for the want of medical and other comforts. Do your part and make
"Our Day for Sailors and Soldiers" a tremendous success in your locality.

"We shall be truly grateful to
you for assistance in relieving the
sufferings of our wounded soldiers
and sailors from all parts of the
Dominions."

Lansdowne,
President British Red Cross Society.

"This is the first appeal of the
Motherland to Canadians in this
present war. It calls upon our
humanity as well as our loyalty."

John S. Hendrie,
Lieut.-Governor of Ontario.

Give to the Red Cross

Every cent collected goes to British Red Cross head-
quarters, where it is officially and wisely spent. No
money is wasted in expenses, even this advertising
space is donated by the publishers.

Give a day's pay. Do your part. Give liberally, and
loyally. Give your money, because these brave ones
—our sailors and soldiers, are giving their lives for
us. Collectors on October 21 will solicit your sub-
scription—or make it through your Mayor or Reeve.

OLDER BUT STRONGER

To be healthy at seventy, prepare at
forty, is sound advice, because in the
strength of middle life we too often forget
that neglected colds, or careless treat-
ment of slight aches and pains, simply
undermine strength and bring chronic
weakness for later years.

To be stronger when older, keep your
blood pure and rich and active with the
strength-building and blood-nourishing
properties of Scott's Emulsion which is a
food, a tonic and a medicine to keep your
blood rich, alleviate rheumatism and
avoid sickness. At any drug store.
