Forty-Five Years Practice.

ELIZABETHTON, Tenn., U. S. A., Jan. 30, 1889.—"I have been practicing medicine and surgery for 45 years, and have had my prejudices against so-called patent medicines. But being troubled with indigestion and constipation, I tried your Diamond Vera-Cura. It has done me a great deal of good, and I will try it further. I persuaded a distinguished gentleman to use it, and he says he has not felt so well and free from indigestion in ten years as he now feels." Mr. Job Scales, of Toronto, writes: "A

short time ago I was suffering from Kidney
Complaint and Dyspepsia, sour stomach
and lame back; in fact, I was completely
prostrated and suffering intense pain.
While in this state a friend recommended
me to try a bottle of Northrup and
Lyman's Vegetable Discovery. I used one
bottle, and the permanent manner in which
it has cured and made a new man of me is
such that I cannot withhold from the proprietors this expression of my gratitude."
