JAPAN'S CAMPAIGN

English Military and Naval Critics Say New Chwang Will Not Be Occupied.

London, July 11. - Most of the tele graphic reports and opinions of European experts agree that there will be a virtual cessation of military opera- or no biblical knowledge. tions in the Far East except for the siege of Port Arthur during the next mostly Japanese plan of campaign and further American critics were wrong in assumng that Japanese would make New thur. It is pointed out that such an men. operation would have been both too obvious, too perilous.

The Japanese will not take any unthing when the moment for daring comes, but they will neglect no preaution so long as discretion and proision are possible. Port Arthur, ever with a greatly-crippled squadron and partially-obstructed exit still com mands the Liao Tishan Channel much more effectively than it could be comnanded by any fleet having its base 100 miles distant. A landing at Nev Chwang would mean a line of com munication lying almost within gun shot of Port Arthur. It would mean also an army virtually isolated and deprived of all co-operative capacity oughout the most important stages They have been glad to find General cursion train, which had stopped
